

Consultation Statement

This statement has been prepared in order to comply with the requirements of the Planning and Compulsory Purchase Act 2004, for the adoption of Supplementary Planning Documents by Local Planning Authorities

Local List of Historic Buildings
Supplementary Planning Document

1. Introduction

- 1.1 Under the Planning and Compulsory Purchase Act 2004 it is a requirement to prepare and publish a Consultation Statement for a range of planning policy documents, including Supplementary Planning Documents. This comes from the Government's aim to strengthen community and stakeholder involvement in the development of local communities.
- 1.2 Following Local Government Reorganisation in Cheshire, Cheshire East Council became the Local Planning Authority on 1st April 2009. The draft Statement of Community Involvement was published for public consultation until 18th January 2010. In the absence of an adopted Statement of Community Involvement, consultation on the Local List Supplementary Planning Document is being carried out in accordance with both the draft Statement of Community Involvement and the Town and Country Planning (Local Development) (England) Regulations 2004 (as amended).

2. Community Involvement

- 2.1 Following Local Government Re-organisation in Cheshire in 2009, Cheshire East became the Local Planning Authority on 1st April 2009.
- 2.2 The List of Locally Important Buildings is intended to consolidate and update the existing Lists of Locally important Buildings from the former Crewe and Nantwich Borough, the former Congleton Borough and the former Macclesfield Borough.
- 2.3 During the production of the Supplementary Planning Document a Sustainability Appraisal Scoping Report was produced and formally consulted upon in July / August 2009. The document was sent to the three statutory consultees (Natural England, English Heritage and the Environment Agency), who were given the opportunity to comment upon the document. The document was also made available on the Council's Web Site and a hard copy was available to view at the Council's offices in Market Place, Macclesfield; Westfields, Sandbach and Municipal Buildings, Crewe.
- 2.4 The Draft Supplementary Planning Document was approved for consultation in December 2009 by The Local Development Framework Panel and the Portfolio Holder for Performance and Capacity, with a 6 week consultation taking place between 11th January and 22nd February 2010.
- 2.5 In order to enable proper consideration of the document, prior notification of the Supplementary Planning Document consultation was given to Town and Parish Councils and a draft copy of the report was sent to them on 27th November 2009.

- 2.6 During the consultation a range of organisations and individuals were consulted, including affected property owners, Local Members, statutory agencies, neighbouring authorities and interested individuals and organisations.
- 2.7 The document was made available in local libraries and at the main offices of Cheshire East Council, as well as on the Council's website. A press release will also be issued.
- 2.8 There were six drop-in sessions organised, where a representative of Cheshire East Council was available to answer any queries in person. These sessions were held at the times / venues detailed below: Number of attendees are noted in brackets.

Macclesfield Library, Jordangate, Macclesfield:

- Tuesday 26th January 2010: 10:00am-12:30pm (10)
- Thursday 28th January 2010: 5:00pm-7:00pm (8)

Congleton Library, Market Square, Congleton:

- Monday 25th January 2010: 5:00pm-7:00pm (1)
 Thursday 28th January 2010: 10:00am-12:30pm (7)

Crewe Library, Prince Albert Street, Crewe:

- Wednesday 27th January 2010: 10:00am-12:30pm (10)
- Thursday 28th January 2010: 5:00pm-7:00pm (5)
- Formal public consultation began on Monday 11th January for a period of 2.9 six weeks. All responses received have been gathered, analysed, a summary of the main points are noted in Table 1. Responses to comments received during the external consultation period, together with any changes made to the Supplementary Planning Document as a result of these comments are also noted in Table 1.

3. Response to the Consultation Exercise

- Responses to the draft document were generally positive and in favour of 3.1 the principles behind its production. However, there were objections to the inclusion of a couple of buildings, from their owners (most notably in respect of The Cross Keys, Coppenhall and Dale Street Mill, Macclesfield). However, it is not proposed to remove these buildings from the final version of the list, as the reasons for their inclusion remain valid. A summary of these objections are note in Table 1 (Para 3.5) of this report.
- Summary from Parish and Town Councils 3.2

The Council has received 14 individual responses from Parish and Town Councils across Cheshire East, some of these responses include acknowledgement of notification with no comment, document errors (i.e. postcode, incorrect building names, these changes are noted in paragraph 3.5 Table 2). English Heritage, welcome the SPD, Environment Agency and The Coal Authority presented no comments. All three consultees would like to be sent the adopted version of the SPD in electronic format.

3.3 Buildings removed from the Local List

- Finlows Bower Farm- Demolished
- Estate Cottages 23-27 Wirswall Road, Crewe- removed due to incorrect address/buildings of no merit (cannot confirm which properties this listing is intended)
- Ridley Hall Farm (barn) new farm house, original dwellings have been demolished.
- Caesars Place, Brook Street, Knutsford- Demolished by Owner 22nd June 2010

3.4 Additional Buildings for the Local List

Consultees have suggested that a number of additional buildings should be added to the List. Rather than delay the publication of the current List whilst these buildings are assessed, it is suggested that any buildings found to be worthy of inclusion on the List should be included in the next review.
