They can be used to provide guidance for development on specific sites, or on particular issues, such as design. SPDs are capable of being a material consideration in planning decisions but are not part of the development plan. They must be consistent with national planning policy, must undergo consultation and must be in conformity with policies contained within the Local Plan.</p> <p>The council has prepared a draft Jodrell Bank SPD for consultation. The draft SPD provides additional guidance on the implementation of policy SE14 (“Jodrell Bank”), in the council’s Local Plan Strategy, adopted in July 2017. The SPD, once adopted, should assist applicants when making planning applications, and the council in determining them. The SPD provides further guidance on existing policies, rather than setting a new policy approach in relation to biodiversity and habitats.</p> <p>The SPD has been prepared in accordance with the Town and Country Planning (Local Planning) (England) Regulations 2012, the National Planning Policy Framework and National Planning Practice Guidance.</p>					

EQUALITY IMPACT ASSESSMENT

	<p>The SPD has been prepared in accordance with the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended by the Local Planning, Development Management Procedure, Listed Buildings etc (England) (Coronavirus) (Amendment) Regulations 2020), the National Planning Policy Framework and National Planning Practice Guidance.</p> <p>An Equalities Impact Assessment was prepared alongside the integrated Sustainability Appraisal work which supported the Local Plan Strategy. An Equalities Impact Assessment has also been prepared to support the emerging Site Allocations and Development Policies Document. The assessment found that the LPS policies (including policies particularly relevant to the SPD) and emerging SADPD are unlikely to have negative effects on protected characteristics or persons identified under the Equality Act 2010.</p>
<p>Who are the main stakeholders and have they been engaged with? (e.g. general public, employees, Councillors, partners, specific audiences, residents)</p>	<p>Public consultation will take place on the draft SPD for four weeks in accordance with the Town and Country Planning ((Local Planning) (England) Regulations 2012) and the council's adopted Statement of Community Involvement. This will include the general public, town and parish councils, statutory consultees, elected members, consultees who have registered on the strategic planning database.</p>
<p>What consultation method(s) did you use?</p>	<p>The council prepares a Statement of Community Involvement which provides detail on how it will consult on Local Plan documents and SPDs. This includes the availability of documents, how residents and stakeholders will be notified etc. The council's Local Plan consultation database, which will be notified of the consultation, also includes a number of organisations who work alongside groups with protected characteristics in the borough.</p> <p>Once consultation has taken place on the draft SPD, all comments received will be reviewed before consideration is given to any amendments required. A report of consultation will be prepared alongside the final version of the SPD and this will also be subject to further consultation. This EIA will be kept updated as the draft SPD progresses.</p>

A full action plan can be included at Section 4)</p> <p><i>Once you have assessed the impact of a policy/service, it is important to identify options and alternatives to reduce or eliminate any negative impact. Options considered could be adapting the policy or service, changing the way in which it is implemented or introducing balancing measures to reduce any negative impact. When considering each option you should think about how it will reduce any negative impact, how it might impact on other groups and how it might impact on relationships between groups and overall issues around community cohesion. You should clearly demonstrate how you have considered various options and the impact of these. You must have a detailed rationale behind decisions and a justification for those alternatives that have not been accepted.</i></p>
