LICENSING OBJECTIVE: PREVENTION OF PUBLIC NUISANCE

In order to protect the interest of local residents and ensure that the licensing objective of public nuisance prevention is upheld: all necessary steps shall be taken to ensure that any noise from the premises shall not be at a level which could cause a noise nuisance at the boundary of the nearest residential premises, therefore:

Noise emanating from the premises as a result of entertainment shall not be clearly audible at the boundary of any adjacent residential premises.

Regular noise assessments shall be undertaken by a competent person (either the Licensee or Manager) and steps shall be taken to reduce the level of noise where it is likely to cause a disturbance to local residents. The noise assessments shall be undertaken during opening hours of the premises and when entertainment or music is occurring. A written record shall be made of those assessments in a log book, kept for that purpose and shall include; the time and date of the checks, the person making them and the results including any remedial action in order to reduce the level of noise where it is likely to cause a disturbance to local residents.

INFORMATIVES

PLANNING PERMISSION

- It is your responsibility to obtain other consent/planning permission/approvals which may be required in addition to the necessary Premises Licence.
- There are sometimes circumstances where planning conditions have been set which may impact on your activities. If the Planning Permission and the Premises Licence differ; for example where the Planning Authority have set a terminal hour which is earlier than those conditioned by the Premises Licence; you must abide by the earlier time otherwise you leave yourself open to enforcement action.

FOOD BUSINESS OPERATIONS

- Anyone starting a new food business must register with the Council **at least 28 days before** you start any food operations. You can register your food business online via GOV.UK. If you have premises in more than one local authority area, you must register with each authority separately.
