If it's not a breach it is certainly a failure of compliance with the spirit of the code which the Committee should rule on.”</p>	<p>Report to Finance Sub Committee 5 January 2022 – Item 12 Procurement Pipeline.</p> <p>Para 5.5 states: At a recent Audit and Governance Committee it was requested that purchase card spending above £500 be published to enhance the spending transparency of the Council. This has now been implemented, but unfortunately, due to external supplier systems, the Council cannot provide the same level of detail for the purpose of the expenditure as seen in the standard £500 spend reports.
