

CHESHIRE EAST COUNCIL

Procedure for Hearings – Licensing Act 2003 COVID-19

This procedure has been drawn up to take account of the restrictions placed on the Country by the Government in its response to the COVID-19 pandemic and the Council's move towards the holding of virtual meetings.

As a Licensing Authority we are conscious that all Hearings of this nature must be run in accordance with the rules of natural justice and that any modifications to the format of the hearing should not undermine the requirements to hold a fair hearing.

It is the Council's intention to run the Hearing as close a possible to our procedure for Hearings set out in our Statement of Licensing Policy. However, it will be necessary to make a number of specific alterations.

The Council does not intend to hold any Hearings just on the pre Hearing papers (eg applications and written representations). The Council considers that a Licensing determination based solely on written material and without the opportunity for amplification, clarification, and questions does not best serve the decision-making process.

The Licensing Committee

The full Licensing Committee consists of fifteen elected Members of the Council. From this full Committee will be drawn sub-committees of three members to deal with licensing functions under the Licensing Act 2003. The Chairman and Vice Chairman of the Licensing Committee shall have the discretion to refer a matter up to a hearing of the full Licensing Committee.

Platform

The Council will use Microsoft Teams for all Hearings. This platform can be accessed on a landline, mobile, laptop or tablet. The Democratic Services Officers will ensure that the meeting is set up within the Microsoft Teams platform. All parties to the Hearing will received the Notice of Hearing required by the regulations and an email invitation with specific joining instructions for Microsoft Teams.

Web Casting

All Council meetings are web cast through the Council's website. This will continue to be the case during any lockdown period and will allow members of the public to listen to proceedings from their own home.

Connectivity Test

The Council will require Members, officers, and all parties to the Hearing to be available for a connectivity test 30 minutes before the start of the Hearing. This is to ensure that any issues can be identified and overcome before the start of the meeting. Notes on how this test will be conducted will be sent directly to parties.

Technical Issues

If during the course of the meeting, the Chairman determines any technical issues (for example, parties dropping out of the meeting or parties being unable to hear or follow proceedings etc) are compromising the integrity of the Hearing, the Chairman will have discretion to adjourn the matter to later date. The test the Chairman will use when considering any adjournment is what is best in the public interest (including the right of all parties to have a fair hearing). Any adjournment will either be to a date when technical issues can be overcome or to a date when a full hearing with all parties physically present can be held.

Etiquette

In order to maximise effectiveness of the Hearing all parties should:

- Identify themselves at the start of the Hearing when asked to do so by the Chairman
- Put their webcam and microphone on mute all times other than when addressing the Committee
- Indicate that you want to speak by using the chat function
- Only address the Committee when called to do so by the Chairman

Committee Reports

The Committee report and all relevant information will be posted on the Council's website at least 7 days prior to the Hearing. A link to the documents will be provided with the Notice of Hearing. The Committee report pack will be paginated and all parties should refer to this pack rather than their own bundles.

Late Evidence

Parties should submit any evidence for consideration of the Committee prior to the drawing up of the Committee agenda packs. This will mean that all information in containing in one paginated bundle that can be referred to by the parties (referencing pages numbers).

Evidence submitted on the day of the hearing can only be included when all parties to the hearing agree. It will ultimately be for the members of the Committee to decide if late evidence is accepted.

Decisions

In accordance with Hearings Regulations the Committee will make a determination at the end of the Hearing and the decision will be given within 5 working days. Some decisions are required to be given at the end of the Hearing, in this case the public meeting will resume once Members have deliberated and formed their decision.

Officers at Hearings

- **The Committee Officer** introduces all parties and records the proceedings
- **The Legal Adviser** provides independent advice to the Members on legal matters and procedure and will draw up the decision notice.
- **The Licensing Officer** will introduce the matter and outline the application; the officer will also answer any questions Members may have.
