### **1. Report Summary**

- 1.1. This report determines the allocation of the approved budgets for 2022/23 to the Economy and Growth Committee.
- 1.2. The report contributes to the Council's objective of being an open and enabling organisation.

### **2. Executive Summary**

- 2.1. The Medium Term Financial Strategy (MTFS) for Cheshire East Council for the four years 2022/23 to 2025/26 was approved by full Council on 24<sup>th</sup> February 2022.
- 2.2. Cheshire East Council provides in the region of 500 local services every day. The Corporate Plan articulates a vision of how these services will make Cheshire East an Open, Fairer and Greener borough. The MTFS matches forecast resources to the costs associated with achieving the Council's vision.
- 2.3. The Finance Sub Committee meeting on the 2<sup>nd</sup> March approved the allocation of the approved capital and revenue budgets, related policy proposals and earmarked reserves to each of the service committees.

### **3. Recommendations**

- 3.1. To note the decision of the Finance Sub-Committee to allocate the approved capital and revenue budgets, related policy proposals and

earmarked reserves to the Economy and Growth Committee, as set out in **Appendix A**.

- 3.2. To note the supplementary estimates already approved as set out in **Appendix B**, Tables A and B.
- 3.3. To approve the supplementary estimates set out in **Appendix B**, Table C.
- 3.4. To approve the capital budget virements set out in **Appendix B**, Table D.
- 3.5. To note the financial reporting timetable as set out in **Appendix C**.

#### **4. Reasons for Recommendations**

- 4.1. The Economy and Growth Committee has the responsibility for the oversight, scrutiny, reviewing of outcomes and performance, budget monitoring and risk management of the Directorate of Growth and Enterprise (with the exception of land and property functions) including: Facilities Management; Assets; Farms; Economic Development; Housing; Rural and Cultural Management; Tatton Park; Public Rights of Way; Cultural Economy; Countryside; and the Visitor Economy.
- 4.2. Finance Sub-Committee met on 2<sup>nd</sup> March and set out the budgets in accordance with the above responsibilities.

#### **5. Other Options Considered**

- 5.1. Not applicable.

#### **6. Background**

- 6.1. All councils are legally required to set a balanced budget each year. The MTFS was approved by full Council on 24<sup>th</sup> February 2022.
- 6.2. Finance Procedure Rules set limits and responsibilities for movement of funds within this balanced position, treating reserves as part of this overall position. Any movement within this balanced position is treated as a virement. To increase the overall size of the MTFS requires a supplementary estimate, which must be backed with appropriate new funding and approved in line with the Procedure Rules.
- 6.3. To support accountability and financial control the 2022/23 budget is reported across the Committees based on their associated functions. This report sets out the allocation of the revenue and capital budgets and earmarked reserves to the Economy and Growth committee in accordance with its functions.
- 6.4. Each committee Function has been associated with a Director budget. Budget holders are responsible for budget management. Where a team supports multiple Directors (most notable in Corporate Services) the budget remains with the Director and is not split, for example, Governance and Democratic Services are aligned to the Corporate Policy Committee even though the activity of the team is split across all teams.

6.5. The financial alignment of budgets to each Committee is set out in Table 1 with further details on the Economy and Growth Committee budgets in Appendix A.

6.6. The 2022-25 MTFS includes a net revenue budget of £327.7m and an approved capital programme of £185.3m for the financial year 2022/23. Further details on the schemes within the capital programme for the Economy and Growth Committee are provided in Appendix A.

6.7. Council wide budget control rests with the Corporate Policy Committee (and Finance Sub Committee) and Council. Budgets have been aligned with service committees to facilitate expenditure assurance but committees do not hold 'a budget'. Responsibility for budget management remains with officers but the Committee is responsible for assuring the budget is spent on delivering the objectives set out in the policy framework of the Corporate Plan.

## 7. Consultation and Engagement

7.1. The annual business planning process involves engagement with local people and organisations. Local authorities have a statutory duty to consult on their Budget with certain stakeholder groups including the Schools Forum and businesses. In addition, the Council chooses to consult with other stakeholder groups. The Council continues to carry out stakeholder analysis to identify the different groups involved in the budget setting process, what information they need from us, the information we currently provide these groups with, and where we can improve our engagement process.

7.2. Cheshire East Council conducted an engagement process on its Medium-Term Financial Plans through a number of stages running from November 2021 to Council in February 2022.

- 7.3. The budget consultation launched on-line on the 24<sup>th</sup> November 2021, included details of the proposals against each Corporate Plan aim. This consultation was made available to various stakeholder groups and through a number of forums.
