Place recommendations

#BecauseWeCare
Cheshire East Partnership

- Incorporates a series of recommendations mapped to the Marmot principles
- Recognises that Places will not have capacity to deliver against all - so suggest that Places review and choose those deemed most relevant to their Place
- Suggested that a mapping against our existing priorities is undertaken (against Five Year Plan, Health and Wellbeing Strategy, ICP Strategy, corporate plans etc) to inform the recommendations that we should focus upon
- Place Partnership Board to consider and Health and Wellbeing Board to endorse.
