**12 21/4446N - 91 HUNGERFORD ROAD, CREWE, CW1 5EY: CHANGE OF USE FROM EXISTING C4, 6 BED, 6 PERSON HMO TO SUI GENERIS 6 BED, 9 PERSON HMO**

Consideration was given to the above application.

**RESOLVED:**

That the application be REFUSED for the following reasons:

The proposed development would result in the creation of a sub-standard level of living accommodation for the future occupiers of the HMO and would also harm amenity of neighbouring properties. In particular the very limited level of private amenity space would cause harm to amenity of future occupiers. This in turn would likely force future occupiers to spill out into the street for their outdoor space causing harm to amenity of neighbouring properties by increased noise and disturbance. The proposal would also result in the sandwiching of No.93 Hungerford Road between two HMOs which would cause harm to amenity of this property. Therefore the proposal would cumulatively have an unacceptable impact on the future occupiers amenity and that of neighbouring properties contrary to Policy BE.1 (Amenity) of the Crewe and Nantwich Local Plan, Policy SE1, SD1 (Sustainable Development in Cheshire East), SC3 (Health and Well-Being), SE12 (Pollution), Emerging Policy HOU4 (Houses in Multiple Occupation) of the Emerging SADPD, Houses in Multiple Occupation Supplementary Planning Document, The Cheshire East Design Guide (part 2 Page 95 para vi 22), The Development on Backland and Gardens SPD and the NPPF.

In order to give proper effect to the Committee's intent and without changing the substance of its decision, authority is delegated to the Head of Planning (Regulation) in consultation with the Chair (or in their absence the Vice Chair) to correct any technical slip or omission in the resolution before issue of the decision notice.

The meeting commenced at 10.00 am and concluded at 11.30 am

Councillor A Kolker (Chair)
