

An overview of allocations set out in the draft core UKSPF Investment Plan

Cheshire East UK Shared Prosperity Fund Investment Plan Overview

Aug 2022

OFFICIAL

Improved collaboration
between our public and private stakeholders, workers and employers, world class businesses and SMEs, training providers and businesses

Showcase our offer
in terms of our towns, our green and blue assets, visitor attractions and our employment and training opportunities

Reduce inequality
responding to the cost of living crisis, upskilling our population and improving our offer in urban and rural areas

Harness our community and business capacity
to make more of our assets including, green and blue, civic, community, heritage, sports and culture

CE SPF Priority Themes

Reposition our town centres as great places to work, visit and live

Support sustainability
reduce energy usage and promote active travel better connecting our assets

OFFICIAL

Current Position

Allocations by Intervention Type (Subject to approval by DLUHC)

SPF Priority	Intervention	3 yr Allocn.
Communities & Place	E1: Funding for improvements to town centres & high streets, including better accessibility for disabled people, including capital spend & running costs	£2.5M
	E6: Support for local arts, cultural, heritage & creative activities	£300K
	E7:Support for active travel enhancements	£900K
	E8: Funding for the development and promotion of wider campaigns which encourage people to visit and explore the local area	£250K
	E9: Funding for impactful volunteering and/or social action projects to develop social & human capital in local places	£800K
	E11: Investment in capacity building & infrastructure support for local civil society	£200K
	E13: Community measures to reduce the cost of living, including through measures to improve energy efficiency, & combat fuel poverty & climate change	£200K
	E14: Funding to support feasibility studies	£488K
	Supporting Local Businesses	E19: Increasing investment in R&D at the local level. Investment to support the diffusion of innovation knowledge & activities. Support the commercialisation of ideas, encouraging collaboration & accelerating the path to market so that more ideas translate into industrial & commercial practices
E22: Investing in enterprise infrastructure & employment/innovation site development projects. This can help to unlock site development projects which will support growth in places.		£765K
E23: Strengthening local entrepreneurial ecosystems, and supporting businesses at all stages of their development to start, sustain, grow & innovate, including through local networks		£405K
E24: Funding for new & improvements to existing training hubs, business support offers, ‘incubators’ and ‘accelerators’ for local enterprise (including social enterprise) which can support entrepreneurs & start-ups through early stages of development & growth by offering a combination of services including account management, advice, resources, training, coaching, mentorship & access to workspace		£900K
E29: Supporting decarbonisation & improving the natural environment whilst growing the local economy. Taking a whole systems approach to invest in infrastructure to deliver effective decarbonisation across energy, buildings and transport and beyond, in line with our legally binding climate target. Maximising existing or emerging local strengths in low carbon technologies, goods & services to take advantage of the growing global opportunity		£1.1M
E30: Business support measures to drive employment growth, particularly in areas of higher unemployment		£375K
People & Skills	E33: Employment support for economically inactive people: Intensive & wrap-around one-to-one support to move people closer towards mainstream provision & employment, supplemented by additional &/or specialist life & basic skills (digital, English, maths and ESOL) support where there are local provision gaps	£1.01M
	E34:Courses for people who are unable to access training through the adult education budget or wrap around support. Supplemented by financial support for learners to enrol onto courses and complete qualifications	£444K
	E36:Intervention to increase levels of digital inclusion, with a focus on essential digital skills, communicating the benefits of getting safely online, & in-community support to provide users with confidence and trust to stay online.	£345K
Total	OFFICIAL	£11.58M
