Dear Mr Anik

## **SWISH LOUNGE, 31 MILL STREET, CREWE LICENSING ACT 2003**

I write to you in your capacity as the Premises Licence Holder of the above premises regarding a visit conducted on Friday 30<sup>th</sup> September 2022 with Ms Turner from Commercial Services at Cheshire East Council.

During the visit, we requested to view CCTV footage and we were informed the CCTV system was not working due to the bar being moved and the CCTV having not been connected back up.

I would like to take this opportunity to remind you, there are conditions on the premises licence for the Swish Lounge related to CCTV namely:

- A CCTV system shall be in operation at all times licensable activities are taking place at the Premises.
- Recorded CCTV images will be maintained and stored for a period of twenty-eight days.

Therefore, by undertaking Licensable Activities in breach of the conditions detailed on the Premises Licence, you have been committing offences under the Licensing Act 2003 for which upon successful prosecution you may be liable for an unlimited fine or subject to imprisonment for six months, or both.

This is the second time in less than 12 months, the CCTV system at the premises has been found **NOT** to be compliant with the conditions on the premises licence and you are therefore being issued with a **FORMAL WARNING** regarding breaches of the licence.

In addition, an application to vary the Premises Licence is required to be submitted as a matter of urgency to reflect the change in the layout of the premises.

If you wish to discuss or need any clarification on the above, please do not hesitate to contact me directly.

Yours sincerely

Tracey Billington  
Licensing Enforcement Officer
