68 14/2991W-CHANGE OF USE TO ALLOW THE TRANSFER OF WASTE FROM THE APPLICANTS SKIP HIRE BUSINESS, ANT SKIP HIRE, TURF LANE, MACCLESFIELD FOR MR ANT HENSHAW, ANT SKIP HIRE

Consideration was given to the above application.

RESOLVED

That the application be refused for the following reasons:-

The proposed development would be contrary to the interests of highway safety since it would result in an intensification of the use of Turf Lane and the junction of Turf Lane and Moss Lane which are both sub-standard, contrary to the requirements of Policy DC3 (7) of the Macclesfield Borough Local Plan and Policy SE 12 of the Cheshire East Local Plan Strategy - Submission Version.

(The meeting adjourned from 12.30pm until 1.30pm for lunch).

69 14/1326N-OUTLINE PLANNING PERMISSION FOR UP TO 150 RESIDENTIAL DWELLINGS TO INCLUDE ACCESS. ALL OTHER MATTERS RESERVED FOR FUTURE CONSIDERATION SUBJECT TO AN ENVIRONMENTAL IMPACT ASSESSMENT, LAND TO THE NORTH OF WISTASTON GREEN ROAD, WISTASTON FOR HARLEQUIN (WISTASTON) LTD

Consideration was given to the above application.

(Councillor Mrs J Weatherill, the Ward Councillor and Parish Councillor Mrs Bond, representing Wistaston Parish Council attended the meeting and spoke in respect of the application).

RESOLVED

That the application be refused for the following reasons:-

1. The proposed residential development is unsustainable because it is located within the Open Countryside, contrary to Policies NE.2 (Open Countryside) and RES.5 (Housing in Open Countryside) of the Borough of Crewe and Nantwich Replacement Local Plan, Policy PG 5 of the Cheshire East Local Plan Strategy – Submission Version and the principles of the National Planning Policy Framework and create harm to interests of acknowledged importance. The Local Planning Authority can demonstrate a 5 year supply of housing land supply in accordance with the National Planning Policy Framework. As such the application is also contrary to the emerging Development Strategy. Consequently, there are no material circumstances to indicate that permission should be granted contrary to the development plan.
2. In the opinion of the Local Planning Authority, the proposed development would cause a significant erosion of the Green Gap between the built up areas of Nantwich and Crewe, in an area that is also designated as being within the designated Green Belt within

the Local Plan Strategy Submission Version and would adversely affect the visual character of the landscape which would significantly and demonstrably outweigh the benefits of the scheme notwithstanding a shortfall in housing land supply. The development is therefore contrary to Policy NE4 (Green Gaps) of the Borough of Crewe and Nantwich Replacement Local Plan 2011, Policy PG3 (Green Belt) of the Local Plan Strategy Submission Version and guidance contained within the NPPF.

3. In the absence detailed site survey information the applicant has failed to demonstrate that the proposal will not result in loss of the best and most versatile agricultural land and given that the Authority can demonstrate a housing land supply in excess of 5 years, the applicant has also failed to demonstrate that there is a need for the development, which could not be accommodated elsewhere. The use of the best and most versatile agricultural land is unsustainable and contrary to Policy NE.12 of the Borough of Crewe and Nantwich Replacement Local Plan 2011 and the provisions of the National Planning Policy Framework.
4. Insufficient information has been submitted with the application to determine the impact of the proposal on barn owls. As the Local Planning Authority can demonstrate a 5 year supply of housing land there are overriding reasons for allowing the development. Therefore the scheme is contrary to Policy NE.5 of the Borough of Crewe and Nantwich Replacement Local Plan 2011 and guidance contained within the NPPF.
5. The proposed development will have an adverse impact on highway safety by virtue of the increase in traffic from the development contrary to Policy BE3 of the Crewe & Nantwich Local Plan.'

In order to give proper effect to the Board's intentions and without changing the substance of the decision, authority is delegated to the Head of Strategic & Economic Planning, in consultation with the Chair (or in his absence the Vice Chair) of Strategic Planning Board, to correct any technical slip or omission in the wording of the resolution, between approval of the minutes and issue of the decision notice.

In the event of any changes being needed to the wording of the Board's decision (such as to delete, vary or add conditions/informatives/planning obligations or reasons for approval/refusal) prior to the decision being issued, the Principal Planning Manager has delegated authority to do so in consultation with the Chairman of the Strategic Planning Board, provided that the changes do not exceed the substantive nature of the Board's decision.

S106 Heads of Terms:

A scheme for the provision of 30% affordable housing – 65% to be provided as social rent/affordable rent with 35% intermediate tenure. The scheme shall include:

- The numbers, type, tenure and location on the site of the affordable housing provision to include pepper potting

Consideration was given to the above application.

(Richard Lomas, the agent for the applicant attended the meeting and spoke in respect of the application).

RESOLVED

That the application be refused for the following reasons:-

1. The proposed residential development is unsustainable because it is located within the Open Countryside, contrary to Policy PS8 and H6 of the Congleton Borough Local Plan First Review 2005, Policy PG5 of the emerging Cheshire East Local Plan Strategy - Submission Version and the principles of the National Planning Policy Framework, which seek to ensure development is directed to the right location and open countryside is protected from inappropriate development and maintained for future generations enjoyment and use. As such it and creates harm to interests of acknowledged importance. The Local Planning Authority can demonstrate a 5 year supply of housing land in accordance with the

National Planning Policy Framework and consequently, there are no material circumstances to indicate that permission should be granted contrary to the development plan, to the emerging Development Strategy and the principles of the National Planning Policy since there are no material circumstances to indicate that permission should be granted contrary to the development plan.

2. The proposal would result in loss of the best and most versatile agricultural land and given that the Authority can demonstrate a housing land supply in excess of 5 years, the applicant has failed to demonstrate that there is a need for the development, which could not be accommodated elsewhere. The use of the best and most versatile agricultural land is inefficient and contrary to Policy SE2 of the emerging Cheshire East Local Plan Strategy - Submission Version and the provisions of the National Planning Policy Framework.
3. The proposed residential development, by virtue of the adverse impact that the proposals would have on the local landscape character thereby failing to recognise the intrinsic character and beauty of this site and the contribution to the wider landscape setting is contrary to Policies GR5, GR3 of the Congleton Borough Adopted Local Plan First Review 2005 and policies SE4, SE5 and SE6 of the emerging Cheshire East Local Plan Strategy - Submission Version and the provisions of Paragraph 17 of the National Planning Policy Framework
4. Insufficient information has been submitted to demonstrate that the proposal will have an acceptable impact upon the operation of the highway network in the vicinity in terms of safety and congestion impacts and lack of data in the Transport Assessment contrary to Policies GR9 and GR10 of the Congleton Borough Adopted Local Plan First Review 2005
5. Insufficient information has been submitted to demonstrate that the scheme would provide for the retention and protection of existing trees of amenity value and no assessment of historic hedgerows has been provided therefore the applicant has failed to demonstrate that the proposal complies with Policies GR1 and NR1 of the adopted Congleton Borough Local Plan First Review 2005 and policy SE3 and SE5 of the emerging Cheshire East local Plan and the provisions of the National Planning Policy Framework.

In the event of any changes being needed to the wording of the Board's decision (such as to delete, vary or add conditions/informatives/planning obligations or reasons for approval/refusal) prior to the decision being issued, the Principal Planning Manager has delegated authority to do so in consultation with the Chairman of the Strategic Planning Board, provided that the changes do not exceed the substantive nature of the Board's decision.

Should this application be the subject of an appeal, authority be delegated to the Principal Planning Manager in consultation with the Chairman of the

Strategic Planning Board, to enter into a planning agreement in accordance with the S106 Town and Country Planning Act to secure the Heads of Terms for a S106 Agreement to secure:-
