1:50

South East Site Plan

North West Site Plan

1:50

[illegible]

NOTES

All building work is to conform with full planning approval, application drawings and stipulated planning conditions approved by the Local Planning Authority.

All building work is to conform with 1991 Building Regulations and all subsequent revised documents and to the satisfaction of the building control officer or other relevant authority.

The contractor is to check all dimensions and conditions on site before commencing. Figure dimensions shall be preferred to scaled dimensions. All adjoining properties are indicative layouts and are not to be scaled.

Drawing to be read in conjunction with the Employers Requirements and any other relevant information documents.

It is intended that this drawing had been produced and issued for sole purpose notated within the title block. It is not intended that this drawing be used by any other person or for any other purpose.

The client has a license to reproduce the work shown on the drawings and documents as only on the site to which it relates. The copyright in all drawings and documents remains vested with any Ashall Partnership.
