

Finance Sub-Committee

Date of Meeting:	9 November 2022
Report Title:	Procurement Pipeline
Report of:	Alex Thompson: Director of Finance and Customer Service
Report Reference No:	N/A
Ward(s) Affected:	All

1. Executive Summary

- 1.1. The purpose of this report is to enable the Finance Sub-Committee to fulfil its responsibilities in relation to oversight of the procurement pipeline of the Council. The report provides an update on the procurement pipeline for the council and any contracts to be considered as business as usual, the contracts awarded since April 2022 and other procurement activity.
- 1.2. This report supports the Council being open and working transparently with its residents, businesses and partners.
 - 1.2.1. **Ensuring that there is transparency in all aspects of Council decision making** (page 3 and 13 Corporate Plan 2021 to 2025) by publishing a pipeline of procurement activity and contracts awarded on the Council's Open Data.

2. Recommendations

- 2.1. That the Finance Sub-Committee
 - 2.1.1. Note the procurement pipeline of activity in Appendix 1.
 - 2.1.2. Approve the 1 new pipeline project in Appendix 1 as business as usual (column H approval required).
 - 2.1.3. Note the contracts awarded by the Council since April 2022, Appendix 2.

- 2.1.4. Note the reason for 5 waivers approved between 1st September 2022 and 31st October 2022 (18 in total in 2022/23).

3. Reasons for Recommendations

- 3.1. To ensure compliance with the Public Contract Regulations 2015 (PCRs), the Constitution and the Commissioning Framework, a procurement pipeline of work is maintained which the Sub-Committee should review as part of its responsibilities. This is attached at Appendix 1.
- 3.2. Column H of the pipeline identifies which procurements are categorised as business as usual and which are categorised as Significant Decisions and require service committee approval. This is due to them incurring non-routine expenditure or having a significant effect on communities.
- 3.3. To ensure the Council complies with the Local Government Transparency Agenda all contracts awarded are published on the Council's transparency pages on the website ([Cheshire East Transparency Pages](#)). Appendix 2 provides a list of all contracts awarded since April 2022.
- 3.4. The Contract Procedure Rules set out the necessary controls that are used to manage related spending. There are occasions when it is appropriate to waive these rules with the proper authority.
- 3.5. Waivers are pre-approved variations from the Contract Procedure Rules, and these form part of the procurement process.

4. Other Options Considered

- 4.1. There is an option not to publish a pipeline of procurement activity that classifies business as usual activity and significant decisions. This option would lead to all procurement activity requiring detailed reports to Committees in addition to the existing oversight from the Finance Sub-Committee and exception reporting to the Audit and Governance Committee. This would cause additional work for officers having to draft routine reports for committee for business-as-usual expenditure. This option is not recommended as the Finance Sub-Committee can provide suitable assurance that spending is, or is not, routine and within the Budget and Policy Framework. Audit and Governance Committee also provide assurance in their role of reviewing procurement activity where procedure rules are waived or not adhered to.
- 4.2. The responsibility of the Sub-Committee is to establish a procurement forward plan, which is provided at Appendix 1. Other information such as the past spend, review of waivers and approval of significant decisions could therefore be removed from this report as an alternative option. This option is not recommended as the Corporate Plan supports transparency which is enhanced by providing additional context around procurement activity.

5. Background

- 5.1. It is important for the Council to ensure proper oversight of procurement activity. Following the implementation of the Committee system, Key Decisions have been replaced within the Constitution by “Significant Decisions”.
- 5.2. Oversight is important as in a normal operating year the Council spends more than £350m with external parties which need to be procured in accordance with the PCRs 2015, ensuring value for money and that the Council’s Social Value principles and objectives are achieved.
- 5.3. The procurement pipeline provides a list of all the Council’s scheduled procurement activity above £1m. The Sub-Committee should be reassured that significant decisions are well managed and therefore consider reviewing important or valuable contracts. The pipeline is also available on the [Cheshire East Transparency Pages](#).
- 5.4. All waivers approved in the periods between Finance Sub-Committee meetings will be presented to the next Committee meeting. The number of waivers to be reported to this meeting is 5. The detailed waivers are set out in Part 2 of the agenda as they contain exempt information.

5.4.1. Table 1: Waivers

Waivers	2016-2017	2017-2018	2018-2019	2019-2020	2020 - 2021	2021 - 2022	April – October 2022
	40	20	16	17	25	37	18

- 5.4.2. The number of waivers increased over the past two years because of COVID and the impacts it has had on the care sector. So far this year 12 of the waivers approved have been care related.
- 5.4.3. So far during 2022 – 2023 financial year there have been 103 procurements (these include tenders, request for quotations above £25k and call offs from frameworks) with 334 contracts awarded.

If a serious misrepresent is found in the Selection Questionnaire, bidder may be excluded from the procurement procedure, and from bidding for other contracts for three years.
