Proposed Conditions

The following conditions should be applied:

Prevention of Public Nuisance

In order to protect the interest of local residents and ensure that the licensing objective of public nuisance prevention is upheld: all necessary steps shall be taken to ensure that any noise from the premises shall not be at a level which could cause a noise nuisance at the boundary of the nearest residential premises, therefore:

- No music to be played in the outside drinking area.
- Noise emanating from the premises shall not cause a nuisance at the boundary of any residential premises.
- All external windows and doors shall be closed whilst entertainment is taking place, except for normal access and egress.
- There shall be notices located at the exit(s) requesting that customers leaving the premises do so quietly and with consideration to neighbours.
- There shall be no disposal of bottles outside the premises between the hours of 20.00 and 08.00.
- At the close of business each day, the outside area shall be left clear of litter and bottles and any tables and chairs shall be taken inside.
