## LOCAL SERVICE DELIVERY COMMITTEE - MACCLESFIELD

## **BUDGET UPDATE**

The development of the budgets for 2012/13 has continued in the weeks since the last Committee meeting, with Service Managers assisting with refinement of figures, as appropriate.

The following budget tables reflect this work and main changes have been:

- Revision of Allotments budgets, following greater clarification on (i) employee costs which have been added and calculated based on time allocations provided by officers, (ii) a revised apportionment of costs not directly attributable to specific sites, that are held centrally and (iii) re-alignment of some expenditure headings to provide a more detailed cost analysis.
- Revision of Senior Citizens Hall and Weston Community Centre budgets with minimal overall financial effect, to reflect re-alignment of some expenditure headings to provide a more detailed cost analysis.
- Revision of Markets budgets, to show further analysis of the 2012-13 estimate between the Indoor and Outdoor markets. In addition, a further note has been added to show the income potential if the market was operating a full capacity.
- Inclusion of all "mobile" floral displays, in addition to hanging baskets, in line with the local service approach for other Towns
- Reduction in Support Services costs, principally relating to removal of depreciation charges from the previously estimated figures

A Summary of the 2012/13 budget for Macclesfield is attached, followed by individual Service budgets and a breakdown of Support Services charges.

## Comments:

Site locatiions are as follows:

- Birtles Road, Brookfield Lane, Byron Street/Maple Avenue, Knowsley Road, Laburnum Road/Byrons Lane, Lyme View - Sutton, Park Grove - South Park, Springfield Road and Stamford Road

Employee costs have been calculated based on time allocations provided by officers and are recorded for information purposes. The primary roles carried out include: site inspections, allocation of plots, tenancy letters, maintenance of waiting lists, detailing maintenance records, raising invoices and subsequent queries.

The expenditure budgets above are calculated at 42.5% of the total costs incurred which is considered to be a fair apportionment for the unparished areas.

## Comments:

2012-13 Employee budget is based upon actual costs incurred for April to September 2011.

Insurance is not charged to individual facilities within CEC. The figure provided is an estimate based on the former Macclesfield BC budgets: Fire £760, Third Party £210 and Engineering £180

"Grants to Other Organisations" reflects the element of free use that is currently offered within the Centre, this amount is also included within the income analysed above as "Room Hire Charges".

## Comments:

Approx £280 per month is received as an internal recharge towards premises costs incurred in respect of the library which is in the same building.

Insurance is not charged to individual facilities within CEC. The figure provided is an estimate based on the former Macclesfield BC budgets: Fire £320, Third Party £260 and Engineering £70

"Grants to Other Organisations" reflects the element of free use that is currently offered within the Centre, this amount is also included within the income analysed above as "Room Hire Charges".

#### Income:

The Estimate for 12-13 Indoor is based on total occupancy less forecast / Estimated void units (est 10%). The full occupancy position for 2012-13 is £342k and can be split between Rent & Service Charge as follows:

Rent 154,477 Service Chg 187,515 341,992

#### Comments:

The figures above include both the Indoor & Outdoor Markets & 2012-13 Estimate has been split for information. In 2011-12 more accurate coding of employee costs through the core payroll coding has enabled clearer analysis of costs. In 2010-11, electricity costs reflected in the figures above appear somewhat higher than the 11-12 budget or forecast out-turn, this arose due to some energy costs relating to 09-10 being charged out to services in 10-11.

Service Charge - This reflects a proportion of the total service charge payable by CEC for the Grosvenor Centre, the total charge is allocated 2/3rds Markets (indoor), 1/3rd Car Parks. The Service Charge is included in the calculation of the service charge payable by occupiers of the indoor market, but not all the charge is included due to decision by the former Macclesfiled B C to retain a % when the head lessor increased the charge significantly in 2008-09.

Insurance & Building Maintenance - CEC has centralised budgets/expenditure against these cost headings (ie they are not charged directly to services). The figures shown here reflect the budgets that were in place in the legacy account at Macclesfield.

Rents / Service Charges - The income here can be split between the lease rental which is reviewed every 3 years and the Service charge element which is reviewed annually.

In terms of the overall total costs of the Macclesfield Market (including Service Management and Support costs and Depreciation) the position is as follows, Net Operational Budget (£109,230) + SMSS £38,865 + Depreciation

#### Comments:

The above figures are based on the conveniences at Churchill Way & Park Green, Macclesfield only.

Employees - the figures above include cleaning costs plus an allocation of the Public Convenience Supervisor who operates across all sites and any overtime incurred re opening/closing facilities. The Supervisor allocation = £4,500.

Premises - Any cleaning material costs will be included in the allocation from the General Public Conveniences code. As will any assumed electricity costs

Insurance & Building Maintenance - CEC has centralised budgets/expenditure against these cost headings (ie they are not charged directly to services). The figures shown here reflect the budgets that were in place in the legacy account at Macclesfield. Re-allocated costs include cleaning materials and equipment not directly coded to specific sites.

The CEC budget provision of £20k is for Christmas lights, tree, decorations etc.
It is understood that the Macclesfield Charter Trustees budget for 2011-12 (Dec 2011) is £16k and is for NEW lights, publicity and event support.

# LOCAL SERVICE DELIVERY - MACCLESFIELD SERVICE MANAGEMENT & SUPPORT SERVICES

The following table shows main support services cost allocations, by type and by Service. Assets Service charges reflect the management support to operational premises used by Services, as well as an apportionment of costs of running/maintaining corporate buildings.

The figures are lower than indicated in previous reports, mainly due to exclusion of depreciation charges.
