20 MINUTES OF PREVIOUS MEETING**RESOLVED**

That the minutes of the meeting held on 27th September 2010 be approved as a correct record.

21 EXTENDED TERMS OF REFERENCE

As requested by the Sub-Committee, the Constitution Committee at its meeting on 30th September 2010 had extended the Sub-Committee's terms of reference by resolving as follows:

"That the terms of reference of the Wilmslow Community Governance Review Sub-Committee be extended to enable it to make recommendations on precepting for any new parishes created by the

Review and to deal with such governance, accommodation and other preparations as may be required.”

22 WILMSLOW COMMUNITY GOVERNANCE REVIEW - BUDGETS AND PARISH PRECEPTS

Without prejudice to the outcome of the Community Governance Review, the Sub-Committee considered a report on the setting of an appropriate budget and the calculation and levying of a precept for the first year of operation of each of the proposed parish councils.

Jackie Weaver, Chief Officer of the Cheshire Association of Local Councils (ChALC), and her colleague Linda Davenport, were in attendance at the Sub-Committee’s invitation and the Chairman welcomed them to the meeting.

Local ward councillors who were not members of the Sub-Committee had also been invited to attend but were not present, Councillor Menlove having submitted his apologies.

Parish precepts would need to be raised for any new Parish Councils created, to cover the administration costs for the municipal year 2011/12. It was also necessary to take into account corporate proposals agreed by Cabinet on 19th July 2010 for the devolution of services to parish councils. Further discussions would be required regarding the likely impact of this programme upon the newly-formed parish councils. However, the Sub-Committee was informed that with regard to the transfer of services, there would be no impact on town and parish council precepts through the initiative until April 2012.

In order to consider and determine reasonable budgets for the new parish councils, the Sub-Committee had before it information on existing parishes in the Borough regarding Council Tax base and precept. This enabled Members to identify tax bases and precepts for parishes similar in size to the three proposed parishes in order to determine appropriate budgets and precepts for the first year of operation of the new councils.

The Cheshire Association of Local Councils (ChALC) had supplied examples of budgets for both a small and a large Parish Council which had been considered at the last meeting and were included again in the report in order to give some idea of the likely setting up and running costs.

In considering the setting of budgets and precepts for the new parish councils, Members had regard to the need to ensure that on the one hand each council had sufficient resources to carry it through its first year while on the other hand budgets were kept within reasonable limits in view of the current financial climate.

Jackie Weaver provided some useful background information on the likely costs and resource requirements of each of the parish councils in its first year of operation.

RESOLVED

That the following budgets be recommended for the proposed parish councils for the year 2011/12:

Styal Parish Council	-	£6,000	Indicative Council tax of £20.00 per Band D property
Handforth Parish Council	-	£85,000	Indicative Council tax of £28.00 per Band D property
Wilmslow Parish Council	-	£375,000	Indicative Council tax of £35.00 per Band D property

(Note: The indicative Council tax rates above are based on the estimated tax bases of the respective new parishes. Actual tax bases for 2011/12 will be known in time for setting Council taxes in February 2011.)

Jackie Weaver undertook to work with Paul Goodwin to provide some illustrative details of how the parish councils could work within the agreed budgets.

Jackie and her colleague, Linda Davenport, were thanked for their helpful contribution to the Sub-Committee's deliberations.

The Sub-Committee also wished to place on record its thanks to Paul Goodwin, Finance Officer, in preparing and presenting his report.

23 WILMSLOW COMMUNITY GOVERNANCE REVIEW - FINAL RECOMMENDATION FOR THE OUTCOME OF THE REVIEW

The Sub-Committee would be requested at its next meeting to make a recommendation to the Constitution Committee for the final outcome of the Community Governance Review, taking into account the representations received from the Stage 2 consultation. The Constitution Committee would then be asked to make a recommendation to Council.

The report considered by the Sub-Committee at its last meeting had been circulated with the agenda to aid the Sub-Committee in its deliberations.

The Council would be required to approve a Re-organisation Order to give effect to the final outcome of the review, in the event that new parish councils were created. The first draft of the Re-organisation Order was circulated at the meeting. Mike Flynn advised that both sets of warding arrangements for Wilmslow had been included to take account of the outcome of the Boundary Commission's review of wards in Cheshire East.

Members agreed that an amendment be made to the draft Order to the effect that if new ward boundaries were introduced, the ward currently referred to as Hough would be renamed as Wilmslow East. Members also agreed that the Order should contain both polling district references and a map.

The draft Order included, at paragraph 11, a transitional provision whereby the six Borough ward Members for the area would represent the three parishes until the parish councils were elected in April 2011. An alternative would be for the Sub-Committee to assume this role. Members agreed to consider the options further at the next meeting.

Mike Flynn also advised the Sub-Committee on progress with the Boundary Commission's review of ward boundaries in Cheshire East, and the implications for the community governance review. The 40 day period for the Order to be objected to would expire on Saturday 20th November. If there were no objections to the draft Order, the Statutory Instrument would be made early in the new year. The Sub-Committee and Constitution Committee would be asked to formulate final recommendations on warding in Wilmslow and Handforth and propose the Community Governance Review Order for adoption by Council at its meeting on 16th December. If there were objections to the Order, then a debate might have to be held in Parliament which could delay the completion of the Community Governance Review, the time allowed for which would expire in February. The Officers were considering the implications in detail and would advise further at the next meeting.

RESOLVED

That

- (1) the draft Order be approved subject to the changes agreed and an updated version, including the agreed precepting arrangements, be submitted to the next meeting; and
- (2) the implications of the Boundary Commission review be noted and a further report be submitted to the next meeting.

24 NEXT MEETING

To be agreed in consultation with members of the Sub-Committee.

The meeting commenced at 10.00 am and concluded at 11.35 am

Councillor J Crockatt (Chairman)

CHESHIRE EAST COUNCIL

Wilmslow Community Governance Review Sub-Committee

Date of Meeting: 9th December 2010
Report of: Borough Solicitor
Subject/Title: Wilmslow Community Governance Review - Outcome of Stage 2 Consultation

1.0 Report Summary

- 1.1 The report attached as Appendix 1, considered by this Sub-Committee on 27 September 2010, details the outcomes of the second stage of public consultations, based on the Council's draft recommendations for the Wilmslow Community Governance Review. The issues have also been further considered by the Sub-Committee on 21 October, together with the detail of the draft Order which would be required, should the Council finally determine to implement its previous recommendations. This report summarises the conclusions reached by the Sub-Committee, makes recommendations for consideration by the Constitution Committee on 15 December and by Council on 16 December, and includes the proposed Order which would be required to bring these recommendations into effect.

2.0 Recommendation

- 2.1 The Sub-Committee is asked to RESOLVE:

That having taken into account all responses made during the Second Stage of consultation, and having regard to the need to ensure that Community Governance within the area reflects the identities and interests of the Community, and is effective and convenient, the Constitution Committee be asked to recommend to Council to affirm its recommendations made on 22 July and that:

1) having regard to comparator information for Parish Councils in Cheshire East, and having regard to electoral equality, three new parishes be created and the number of Councillors to serve on each of each of the new Parish Councils be as follows:

- a. Handforth: 7 Councillors
- b. Styal: 7 Councillors
- c. Wilmslow: 15 Councillors

(2) four wards be created for the Wilmslow Parish and named as follows, to provide as far as possible coterminous boundaries for electoral purposes:

- i. Wilmslow West (comprising 5 Councillors: polling districts 8FH1, 8FJ1, 8FG1, 8FC1, 8FA1(part), 8FB1(part), 8FD1(part);
- ii. Lacey Green (comprising 2 Councillors: polling districts 8EK1, 8EA1(part), 8FD1(part);
- iii. Dean Row (comprising 4 Councillors: polling districts 8EA1(part), 8EB1, 8EC1, 8ED1, 8EE1); and
- iv. Wilmslow East (comprising 4 Councillors: polling districts 8FD1(part), 8FA1(part), 8FB1(part), 8FE1, 8FF1)

(3) three wards be created for the Handforth Parish and named as follows:

- i. Handforth West (comprising 3 Councillors: polling districts 8EG1, 8EJ1)
- ii. Handforth East (comprising 2 Councillors: polling district 8EH1); and
- iii. Handforth South (comprising 2 Councillors: polling district 8EF1)

(4) accordingly, the detailed provisions of the draft Cheshire East Borough Council (Re-organisation of Community Governance) Order 2010, as submitted to the meeting be approved and that the Borough Solicitor be authorised to issue the Order and to make any necessary technical and detailed amendments as may be required; and

(5) in accordance with Section 96 of the Local Government and Public Improvement in Health Act 2007, the Borough Solicitor be authorised to make the necessary arrangements to publicise the outcome of the Community Governance Review.

3.0 Reasons for Recommendations

- 3.1 To enable the Constitution Committee and the Council finally to determine the outcome of the Community Governance Reviews of Wilmslow, Handforth and Styal and to make the legal Order required to give effect to such decisions.

4.0 Wards Affected

- 4.1 Wards covering the areas of Wilmslow, Handforth and Styal.

5.0 Local Ward Members

- 5.1 As above

**6.0 Policy Implications including - Climate change
- Health**

6.1 None

7.0 Financial Implications (Authorised by the Borough Treasurer)

7.1 The Council has a statutory duty to conduct and meet the costs associated with undertaking the Community Governance Reviews. These costs will be met as far as possible from within existing budget provision.

7.2 In the event that parish councils are established, there will be costs associated with the administration of the elections, which will be met by the Borough Council, as they are proposed to be held on the same day as elections for Cheshire East Councillors on 5th May 2011. The cost of any future by-elections would be met by the Parish Councils.

7.3 Parish precepts will need to be raised for any new Parish Councils created, to cover the administration costs for the municipal year 2011/12.

8.0 Legal Implications (Authorised by the Borough Solicitor)

8.1 With effect from April 2008 the power to take decisions about matters such as the creation of parishes and their electoral arrangements was devolved from the Secretary of State and the Electoral Commission under the Local Government and Rating Act 1997 to local authorities under Chapter 3 of the Local Government and Public Involvement in Health Act 2007.

9.0 Risk Management

9.1 The Council has followed the Guidance on Community Governance Reviews published by the Electoral Commission and the Department of Communities and Local Government. There are no other risk management issues.

10.0 Background

10.1 The Sub-Committee has given detailed consideration to the outcomes of the second stage of public consultations, which have raised a number of issues which need to be addressed and provided for in the recommendations to Council. Attached as Appendix 2 is the proposed final draft of the "Cheshire East Borough Council (Reorganisation of Community Governance) Order". It is based on the Council's previous draft recommendations, but also deals with the implications of the Boundary Commission's Review of the Cheshire East Electoral Arrangements; the need to make provision for the 2011/12 budget requirement; Options for Transitional Arrangements before the elections to new Parish Councils; and other more detailed references in the draft.

- 10.2 The Boundary Commission's final recommendations for electoral arrangements for the whole of Cheshire East were laid in Parliament on 11 October in the form of a draft Order. Under the relevant procedures, the draft Order is approved provided it is not debated and rejected by Parliament within a period of 40 days. Although the Cheshire East Order was "prayed against" it has not been debated and, the 40 days having expired on 19 November, it can now be made. The Boundary Commission has indicated that it will issue the final Order early in the new year.
- 10.3 Accordingly it is now clear that the borough ward boundaries in the Wilmslow area will be those as determined by the Commission. The Sub-Committee has previously considered a pattern of warding for new parishes in Wilmslow and Handforth which will broadly conform to the new borough wards, in that, with one exception, none of the proposed parish wards is split by a borough ward boundary. The exception occurs in the case of the Wilmslow parish ward of Dean Row, part of which will be in the borough ward of Handforth. The Sub-Committee has previously been of the view that the proposed parish ward boundaries for Dean Row better reflect in particular the community identities of the area. Members are asked to give further consideration to this issue and make appropriate recommendations to the Council.
- 10.4 The proposed parish ward boundaries and ward names are shown in detail on the attached map, which will form part of the CGR Order. The name for the Hough parish ward has been changed to Wilmslow East, and in Article 7 the number of Styal Parish Councillors is set at 7 in accordance with the Sub-Committee's previous decisions. The warding arrangements are prescribed in Article 8, but no longer by reference to polling district numbers, as these may be subject to review across the whole Borough and may therefore change in the future.
- 10.5 The Sub-Committee has previously considered the need to set an appropriate budget and for the levying of a precept in each of the new parish areas if created. The amounts involved will be required to cover the estimated administration costs in the year 2011 – 12. Following their election the new Parish Councils will subsequently consider the level of the precept for future years. In coming to their conclusions, the Sub-Committee had regard to the balance between providing adequate resources to new parishes in their first year, and setting reasonable limits to precepts in the current financial situation. The Sub-Committee's recommended precepts are set out in Article 10, and an appropriate sentence has been added to the "Explanatory Note" attached to the Order. In accordance with the wishes expressed by the Sub-Committee at the last meeting, Jackie Weaver, Chief Officer Cheshire Association of Local Councils (Chalc), has been invited to attend the meeting to provide additional detailed information to support the proposed budgets for the three proposed parish Councils for 2011/12.

- 10.6 At the last meeting, Members considered whether transitional provisions should be included in the draft Order. Such provisions would cover the period between the making of the Order, and the election of councillors to new parishes. They would enable some preparatory work to be undertaken in the “shadow” period to help the new bodies to assume their responsibilities effectively once elected. It was, however, noted that the “shadow” period between January and May was relatively short.
- 10.7 Members considered the alternatives of either the current 6 Borough Councillors for the area representing the interests of the 3 parishes, or of the Sub-Committee itself carrying out this role. The extended terms of reference for the Sub-Committee agreed by Constitution Committee and reported to the last meeting would enable this Sub-Committee to deal with the necessary transitional arrangements. If Members conclude that this as the preferred option there would be no need to make provisions in the Order itself. The attached Order as drafted does not specify “Transitional Provisions” but if the Sub-Committee recommends the alternative option [of the 6 local Borough Councillors] a suitable form of words can readily be drafted.
- 10.8 The recommendations of the Sub-Committee and the Constitution Committee will be presented to Council on 16 December, where the final outcome of the Community Governance Review will be decided. If Council decides to constitute new parish councils, it should also approve the Order which, once signed and sealed by the Borough Solicitor, will bring the new arrangements into legal effect. It is also recommended that appropriate publicity is given to the final outcome of the Review, and that all those who responded to the consultations should be informed.

Wilmslow Community Governance Review Sub Committee

Date of Meeting: 27th September 2010
Report of: Borough Solicitor
Subject/Title: Wilmslow Community Governance Review

1.0 Report Summary

- 1.1 This report provides the background in relation to the Wilmslow Community Governance Review under the provisions of the Local Government and Public Involvement in Health Act 2007, following receipt of three valid petitions from electors in Wilmslow, Handforth and Styal calling for a review to be undertaken. The report provides details of the outcome of stage two of the public consultation on the Council's draft recommendation for the review, as made by the Council on 22nd July 2010.

2.0 Recommendation

- 2.1 To consider the responses from the Stage 2 consultation and to recommend to the Constitution Committee that it makes an appropriate recommendation to Council, having regard to the results of consultation on the draft proposal formulated by Council on 22nd July 2010.

3.0 Reasons for Recommendations

- 3.1 The second stage of Consultation for the Wilmslow Community Governance review took place from 11th August to 15th September 2010 and following this meeting the results will be considered by the Constitution Committee on 30th September 2010. The recommendation of the Constitution Committee for the final outcome of the Review will then be reported to the Council meeting for approval, including approval of any Reorganisation Order required for the formation of new parishes as may be determined. The date of the Council meeting is yet to be confirmed, as the final outcome of the current Cheshire East Boundary Review has not yet been determined, and this will have an impact upon the Council's final decision for the outcome of the Wimslow Community Governance Review, in particular the detail of warding arrangements for the Wilmslow area.

4.0 Wards Affected

- 4.1 Wards covering the areas of Wilmslow, Handforth and Styal.

5.0 Local Ward Members

5.1 As above

**6.0 Policy Implications including - Climate change
- Health**

6.1 None

7.0 Financial Implications (Authorised by the Borough Treasurer)

7.1 The Council has a statutory duty to conduct and meet the costs associated with undertaking the Community Governance Review. These costs will be met as far as possible from within existing budget provision.

7.2 In the event that parish councils are established, there will be costs associated with the administration of the elections, which will be met by the Borough Council, as they are proposed to be held on the same day as elections for Cheshire East Councillors on 5th May 2011. The cost of any future by-elections would be met by the Parish Councils.

7.3 Parish precepts will need to be raised for any new Parish Councils created, to cover the administration costs for the municipal year 2011/12.

8.0 Legal Implications (Authorised by the Borough Solicitor)

8.1 With effect from April 2008 the power to take decisions about matters such as the creation of parishes and their electoral arrangements was devolved from the Secretary of State and the Electoral Commission under the Local Government and Rating Act 1997 to local authorities under Chapter 3 of the Local Government and Public Involvement in Health Act 2007.

9.0 Risk Management

9.1 The Council has followed the Guidance on Community Governance Reviews published by the Electoral Commission and the Department of Communities and Local Government. There are no other risk management issues.

10.0 Background

10.1 The Local Government and Public Involvement in Health Act 2007 permits the Council to undertake a community governance review of the whole or part of the Borough Council area.

10.2 The Review

Cheshire East Council in accordance with Section 83(2) of the Act is undertaking a community governance review following receipt of three valid petitions which called for community governance reviews and for the creation of parishes and parish councils in the areas of Wilmslow, Handforth and Styal.

In conducting the Review, the Council has responded to the proposals contained in the petitions, but in accordance with the guidance, has also considered other viable options for other forms of community governance including Area committees, Neighbourhood Management, Tenant Management organisations, Area/ Community forums, Residents and Tenants Associations, Community Associations and whether people would prefer a single parish Council for Wilmslow, Handforth and Styal or separate parish councils for these three areas to be created.

An explanatory leaflet about the community governance review was prepared and used as a basis for the first phase of consultation which ran from 10 May to 4 June 2010.

This community governance review has provided the Council with an opportunity to examine and review existing community governance arrangements and to consider whether or not new arrangements were required to best meet the needs of local people.

The first stage of consultation sought views from all electors by way of a voting paper delivered to each elector with the explanatory leaflet. A letter and explanatory leaflet about the review was sent to various stakeholders including local public and voluntary organisations, schools, health bodies and resident and community groups. Three public meetings were held in April 2010 at venues in Wilmslow, Handforth and Styal. The Cheshire East Council website was also used to allow people to record their views online.

Consideration was given to the comments and representations received from this first phase of consultation and on the basis of those representations the Council's draft recommendation was published on 11th August 2010.

10.3 Criteria and aim of the Review

Section 93 of the Local Government and Public Involvement in Health Act 2007 requires councils to ensure that community governance in the area under review will be reflective of the identities and interests of the community in that area and is effective and convenient. In considering this criteria the Council is required to take account of a number of influential factors including the impact of community governance arrangements on community cohesion.

The Guidance on community governance reviews published by the Department of Communities and Local Government in April 2008 sets out in detail the factors for consideration to help inform the Council's judgement against the statutory criteria.

10.4 Previously Unparished Areas

The Council is required by law to consider other forms of community governance as alternatives or as stages towards establishing parish councils. The Council has noted the existing arrangements in place in the area for community representation and community engagement, including the Wilmslow Local Area Partnership, the Colshaw Community Development Group, Community Groups and Working Groups and the extent to which they were creating opportunities for engagement, empowerment and co-ordination in local communities.

10.5 Consultation

In reaching its draft recommendation in this review, the Council took into account the representations received having regard to the criteria in the Local Government and Public Improvement in Health Act 2007.

10.6 Result of consultation with electors

Just over 25, 000 voting papers were issued and 6876 were returned (27.48%). Electors were invited to respond to two questions on the voting paper and the results were as follows:-

10.8 Draft Recommendation

The second stage of consultation ran from 11 August 2010 to 15th September 2010 and sought views on the Council's draft recommendation. There were two proposed options for warding arrangements for Wilmslow which were

dependant upon the outcome of the current boundary review of Cheshire East Council wards by the Boundary Commission.

The draft recommendation of the Council for the outcome of the review, as agreed at the Council meeting held on 22 July 2010 was as follows:-

RESOLVED

1. That :-

(1) pursuant to Section 87 of the Local Government and Public Involvement in Health Act 2007; and having regard to the provisions of the Department for Communities and Local Government and Electoral Commission Guidance, issued in April 2008, for the conduct of Community Governance Reviews; and having received three valid petitions signed by the required number of electors calling for the constitution of new parishes for the three areas of (1) Handforth; (2) Wilmslow and Handforth; (3) Styal which triggered the Community Governance Review process:

Having taken into account

- **the petitions;**
- **the results of the consultation with the electors in each of the areas concerned which show in each case that a majority of those who returned their ballot papers were in favour of a new parish council for their area;**
- **the results of the consultation exercise with stakeholders and the representations from other interested persons;**
- **the outcomes of the public meetings held in each of the review areas; and**
- **the information on existing community governance arrangements in the areas concerned and the alternative forms of community governance which might have been appropriate for the areas in question :-**
 - a. **that the interests of effective and convenient local government and community identities in these areas would be served by the creation of new parishes with a parish council for each of Handforth (not including polling district 8EE1 so as to recognise historic and traditional boundaries in the area), Wilmslow (including polling district 8EE1) and Styal, all as shown on the map appended to the minutes of the Constitution Committee held on 24 June 2010, with each parish comprising the polling districts indicated below; such parish councils to be called: Handforth Parish Council, Wilmslow Parish Council**

and Styal Parish Council respectively, and that Wilmslow Parish Council be advised to consider its designation as a Town Council;

Handforth Parish

Polling districts: 8EF1, 8EG1, 8EH1, 8EJ1

Wilmslow Parish

Polling districts: 8EA1, 8EB1, 8EC1, 8ED1, 8EE1, 8EK1, 8FA1, 8FB1, 8FC1, 8FD1, 8FE1, 8FF1, 8FG1, 8FH1, 8FJ1

Styal Parish

Polling district: 8FK1

- b. that in Styal the election of parish councillors should be from the area of the parish as a whole;
- c. that given the substantial size of the proposed Wilmslow parish and in order to reflect longstanding community identities, the parish should be divided into wards for the purposes of election to the Parish Council;
- d. that the first year of elections to the new parish councils should be 2011; and
- e. that these proposals form the basis of a second stage of public consultations and that the Boundary Commission be informed of these proposals;

2. That :-

(1) having regard to comparator information for Parish Councils in Cheshire East, and having regard to electoral equality, the number of Councillors to serve on each of the new Parish Councils should be as follows:

- a. Handforth: 7 Councillors
- b. Styal: 5 Councillors
- c. Wilmslow: 15 Councillors

(2) dependent upon the outcome of the Boundary Review, and bearing in mind the need to achieve overall electoral equality (i.e. the number of electors per councillor) as far as possible:

- a. if no changes are made to the current Cheshire East Council Ward boundaries, five wards should be created for the Wilmslow Parish and named as follows:

- i. Morley (comprising 3 Councillors: polling districts 8FH1, 8FJ1, 8FG1);
 - ii. Lacey Green (comprising 2 Councillors: polling district 8EK1);
 - iii. Dean Row (comprising 4 Councillors: polling districts 8EA1, 8EB1, 8EC1, 8ED1, 8EE1);

Representations were invited from all interested persons, organisations, stakeholders and the public. Interested parties were encouraged to submit their views, together with any relevant supporting information, in writing, by email, or via a feedback form on the Council's website.

10.9 Submissions received to Stage 2 Consultation

Copies of all responses received to the Second stage of consultation are attached as an appendix to this report.

10.10 Key Issues

In making its final decision on the outcome of the Community Governance Review for Wilmslow, the Council must take into account representations received. The Council is also required to have regard to the need to ensure that community governance within the area reflects the identities and interests of the community and is effective and convenient.

As soon as practical after the Council has decided to what extent it will give effect to the recommendation made in the review, it must publish the decision and the reasons for making that decision. The Council must also take steps to ensure that people who are interested in the review are informed.

Should the decision be taken to establish Parish Councils, electoral arrangements would need be put in place and a formal Order made to give effect to the new arrangements which would then enable elections to take place in May 2011. The final outcome of the current Cheshire East Boundary Review has not yet been determined, and this could have an impact upon the Council's final decision for the outcome of the Wimslow Community Governance Review, in particular the consideration of the detail of warding arrangements for any parishes ultimately proposed.

Dear Sir I am very surprised that no copy of the Review Stage 2 is available in Wilmslow. Many people do not have computers and wish to see what is in the document. Do you expect them to go somewhere well outside Wilmslow in order to see what is being proposed for them? Could you place a copy in Wilmslow Library and announce you have done so in the local press? 1. The majority either voted against or did not vote. Those for the change were a clear minority.
2. No one has said precisely what the extra cost gives us. What powers does a parish council have?
3. It is just another level of bureaucracy at a cost we can ill afford.

The Elections and Registration Team Manager

I am writing to object to the plans for local town councils in Wilmslow, Handforth & Styal with 15 councillors for Wilmslow, 7 for Handforth and 5 for Styal.

OF the ballot papers issued only 28% responded. EVEN IF all those had voted in favour of town councils there is still an overwhelming majority who elected for a status-quo. Clearly 100% in favour is an impossibility. Note that I did vote (against) and did return my ballot!

In these days, when the country, according to all three major parties (Labour, Conservative, Liberal Democrat), is in dire straits, there is absolutely no need to create further bureaucracy in the public sector.

Cease your profligate empire-building now. We, national taxpayers & local community charge payers alike, cannot afford it.

I find the idea of voting in 3 Councillors per ward anti democratic. If we are to have 15 councillors then each councillor should represent one group of electors. If you only have 4 or 5 wards then we only need a council of 4 or 5 members. Lets us put a stop to party political jiggery pockery and give local residents, i.e. resident in the area they represent, a chance to make their mark on local issues.

We should also ensure that Wilmslow, being a larger parish and therefore more efficient, should have one of the lowest precepts. All new councillors should be volunteers i.e. NO PERSONAL EXPENSES

Dear Sir

Proposed New Town Councils. Wilmslow, Handforth, Styal

As an elector I wish to express my views on the CEC recommendations for the formation of the above.

In the first case although the ballot produced a response this response of only 27.48% return of the ballot papers cannot be regarded as conclusive. What about the remaining 72.52% who did not return their papers? Had they voted and there must be a good valid reason why they did not vote, the result "for or against" could have been quite different and this needs to be taken into account before coming to any decision.

One further point which needs to be taken into account. It would appear that not all electors understand that new parish councils will mean yet more taxation. There has been but scant reference made to the amount of the precept which would be levied. To many of the electorate the amount of money having to be found to pay the existing crippling council tax makes it necessary to make not inconsiderable sacrifices in their family budgets and to impose yet a further tax could have dire results. The question must be asked to what avail?

At this present time when the economy is in such a fragile state with cuts and redundancies surrounding us the council should take a realistic and responsible view of this proposal and place any decisions in abeyance until such time as it can be afforded.

Yours faithfully

Edgar Curry

Dear Sirs

Wilmslow, Handforth & Styal Governance Review

I'm at a loss as to how you think you can proceed with these new town councils - in my view a total vote of 28% does not give you a mandate to proceed - the election criteria was flawed, it should have had a minimum voting return of at least 67% of the total eligible voting population to proceed.

Also, in the current economic climate and the Government's squeeze on public sector spending to even contemplate spending money unnecessarily on such a frivolous project like this is a disgrace.

We do not need an extra tier of local government - it will make not a scrap of difference to any services received, it's just a means of lining a few councillors pockets with exorbitant expenses claims.

Just for the record, I was one of the 28% who did return the voting form, but I certainly did not vote for this proposal.

Yours faithfully

THE ELECTIONS AND REGISTRATION TEAM MANAGER, CHESHIRE EAST.

As you asked for suggestions for how CEC should use our taxes to create a fairer run society I have sent a short attachment on just that

How new Town Councils organise themselves using our money.

Local paper request

Suggestions

1. Many community halls are in a bad state and need to be modernised, through reducing the greed of Chief executives massive salary.
2. Trees are needed in new housing development, in scrubland, street ends etc (oak, ash, pine, beech etc) to ensure we live with nature, not outside nature. Too little nature develops as N.D.D (NATURE DEFICIT DISORDER) when lots of psychological problems such as depression, anger, short temper, fear and self-harm develop. Create small woodland for children's education, and recreation.
3. Work to integrate the various aspects of community, which at present is fragmented.
 - a. Introduce a volunteer scheme pulling the generations together
 - b. Reduce noise pollution...road use i.e. excessive traffic, poor planning regulations with buildings too close, too big, reducing our personal space...need green cover as a barrier to excessive noise.
4. Councils need to look at how they waste our community taxes money in stupid schemes, expenses, lack of communication between departments etc. We can have a road dug up two three times in one year for water, gas, or anything else when co-ordination of maintenance would be wiser.
5. Litter needs serious consideration. All unemployed people fit and able need to contribute something to the community, young offenders, and the 16-18 age group need to respect and understand how social harmony works.
6. We need a work force, not excessive managers with talk and no action. We need on the beat police, care workers for elderly hospital/school cleaners, nurses, and those key workers going into schools to teach the children about how community works.

We need less red tape putting people off doing anything. We need common sense, practicality, trained skilled trades men, and fairness.

Hope this helps

Only 1846 votes were cast for a WILMSLOW Town Council !

Who are these potential Town Councillors who can provide a better service ?

I have been retired for 15 years on a fixed pension. I accept inevitably costs rise but to inflict extra expense, in this economic climate, without any assurance there will be a major improvement in services, would be totally unjust especially when the vast majority of residents have not voted for it. I trust Cheshire East will reject this proposal.

Dear Ms Parton

Wilmslow Community Governance Review – 2nd Stage Consultation

On behalf of Styal Village Association, I am writing to you with our input to the 2nd Stage Consultation for the Wilmslow Community Governance Review.

The Committee of SVA is unanimously pleased with the progress so far with the Community Governance Review, and in particular with the decision, agreed by Council in July 2010, that Styal should have its own Parish Council. We are particularly pleased that the democratic wishes of the majority of voters in Styal have been able to be heard so clearly, and we are grateful to you, your team and the Sub-Committee for the way in which the review has been performed.

We have only one comment that we would like to be considered in the second stage consultation, and that is regarding the number of Councillors proposed for Styal Parish Council.

The recommendations of the review we believe indicated that Styal should have 5 Councillors, Handforth 7 Councillors, and Wilmslow 15 Councillors. There would appear to be some logic here in terms of proportionality given the relative size of each Parish area.

However, we are very concerned that this may be very difficult in practical terms for Styal. With only five Councillors, it would not take very much for two to be unable to attend for business or personal reasons and one to be unwell, leaving the council presumably inquorate. Whilst we accept that it is not of direct relevance, if we look at the makeup of Styal Village Association, the majority of elected members are not retired and have many other demands on their time.

We also note that whilst five Councillors is the legal minimum under the Local Government Act 1972, the National Association of Local Councils (NALC) recommend that the minimum number of Councillors for any parish should be seven, presumably for some of the reasons we have outlined.

It would be a great pity if, after following a new process so carefully as part of this Community Governance Review, we end up with a solution which those with the greatest experience in this area would recognise as sub-optimal.

We therefore would like to strongly request that the Committee reconsider the number of Councillors that Styal Parish Council will have, and follow the NALC guidance to allow Styal to have seven Councillors. We would like to think that such a decision would have little impact outside of Styal, could make quite a difference to the initial workings of the embryonic Parish Council, and has the advantage of being in line with current best practice.

We hope the Committee is able to take this request into account.

Yours sincerely

Dear Mrs Parton

Wilmslow Community Governance Review

I am responding on behalf of the Trustees and Elders of Wilmslow United Reformed Church as part of the Stage 2 Consultation on the Wilmslow Community Governance Review.

We note the results of the Stage 1 Consultation and the detailed proposals which have emerged to establish parish councils to represent Wilmslow, Handforth and Styal. We remain of the opinion that a single council would be the better arrangement and less bureaucratic but recognize that the electors have expressed the opposite view.

We were surprised to learn that individual households were not to be circulated with information on Stage 2 but reliant on notices in the local press – our experience is that this is not an effective method of communication (although it is obviously less expensive than a mail-drop).

We will support the council when it is established but trust that the nomination process encourages local representation and is not weighted in favour of the major political parties.

Please keep us informed of further developments in this process.

Yours sincerely
