1 DECLARATIONS OF INTEREST

There were no declarations of interest.

2 PUBLIC SPEAKING TIME/OPEN SESSION

There were no members of the public present.

3 ADOPTION OF STREET NAMING LEGISLATION AND AMENDMENTS TO THE OFFICER DELEGATIONS OF THE STRATEGIC DIRECTOR (PLACES AND ORGANISATIONAL CAPACITY)

The Cabinet Member for Environment considered a report on

1. the adoption of legislation in respect of street naming and the approval of a policy in respect of street naming and numbering, including altering existing street names and numbers; and
2. the making of amendments to the Officer Delegations of the Strategic Director (Places & Organisational Capacity) in relation to traffic regulation orders, stopping up orders and street naming and numbering.

The Cabinet Member had at a previous meeting expressed the intention to adopt certain legislation in respect of street naming. Public notice had been given in accordance with Schedule 14 of the Local Government Act 1972 and therefore the Cabinet Member was now asked to adopt the legislation. The Cabinet Member was also requested to approve the Street Naming and Numbering Policy attached at Appendix A to the report

together with the necessary charges. The policy would supersede any previous policy in respect of street naming and numbering.

The Cabinet Member was also asked to consider amendments to the delegations to the Strategic Director (Places & Organisational Capacity) as a result of the adoption of street naming legislation, and to remove the formal requirement for officers to consult the Cabinet Member in the making of certain decisions.

The Cabinet Member was not minded to approve the proposed changes to the scheme of delegation.
