9 TERMS OF REFERENCE OF THE CIVIC SUB-COMMITTEE

The Committee considered whether the terms of reference of the Civic Sub-Committee should be reviewed.

The Sub-Committee had been appointed by the former Governance and Constitution Committee in 2009 to consider and make recommendations on the approach to the election of the Mayor and Deputy Mayor and the adoption of a Mayoral Code of Practice. The Sub-Committee was given an

ongoing role in respect of the election of the Mayor and Deputy Mayor each year, utilising the approach adopted by Council.

The Constitution Committee had subsequently added additional responsibilities to the Sub-Committee's terms of reference which were now as follows:

- reviewing and making recommendations to the Constitution Committee on the Mayoralty, including the Mayoral Code of Practice;
- reviewing and making recommendations to the Constitution Committee on all matters relating to Honorary Aldermen and Freemen, including upon the benefits, rights and privileges to which they should be entitled;
- determining all matters relating to nationally significant events except for those matters which the Sub-Committee considers it appropriate to refer to the Constitution Committee for determination; and
- reviewing and making recommendations to the Constitution Committee on civic matters such as the Council's flag flying policy and civic regalia.

At a recent Council meeting, it was commented that it was perhaps time for the terms of reference of the Civic-Sub Committee to be reviewed.

RESOLVED

That the Constitution Working Group be asked to review the Civic Sub-Committee's terms of reference and report to the Committee.

10 REVIEW OF POWERS AND RESPONSIBILITIES OF OFFICERS

The Committee had appointed a member working group to consider the officer scheme of delegation and report back with a recommended revised scheme. The purpose was not to recommend the delegation of additional powers to officers but to introduce greater transparency and member involvement in delegated decision-making.

The draft document was attached as Appendix A to the report.

It was noted that the delegations to the Director of Public Health had been approved by Council on 28th February 2013 and were awaiting review by the member working group.

The member working group had conducted its review against the background of a restructuring of the Council's senior management. That restructuring was ongoing and as yet there was insufficient detail available

to incorporate it into the revised scheme of delegation which therefore reflected the old structure.

Councillor Marren, the Chairman of the member working group, asked the Committee to defer consideration of the revised scheme until he had been able to discuss it with the Leader to determine whether the enhancements to the scheme had met his expectations for increasing member involvement.

RESOLVED

That consideration of the revised scheme of delegation be deferred and a special meeting of the Committee be held before the next Council meeting to enable the Committee to consider the scheme and make recommendations to Council.

11 SCHEME OF DELEGATION FOR THE IMPLEMENTATION OF THE SCRAP METAL DEALERS ACT 2013

The Committee considered a proposed scheme of delegation for the Implementation of the Scrap Metal Dealers Act 2013 which would be coming into force on 1st October 2013.

The Act was designed to provide a more robust scheme for monitoring the scrap metal industry. A scheme of delegation needed to be put in place to allow for full implementation of the Act by the time the first applications under it were made to the Council.

Decisions on fees and charges and on a policy needed to be made by the Licensing Committee, which was due to consider the matter at its meeting on 30th September.

RESOLVED

That

- (1) subject to the detail being worked up and approved by the Licensing Committee on 30th September, Council be recommended that:
 - (a) in so far as it is necessary as a matter of local choice, this function be specified as a non-executive function; and
 - (b) procedures and a scheme of delegation be set up to implement the Scrap Metal Dealers Act 2013 and to determine applications for licenses under the Act, taking account of the following principles:
 - policy is delegated to the Licensing Committee
 - the ability to set fees and charges is delegated to the Licensing Committee

- a member decision making body (e.g. a licensing sub-committee) shall determine any applications where the applicant has indicated he/she is taking advantage of their opportunity for a hearing (i.e. after a notice has been given under Section 7 of the Act by the licensing authority stating it proposes to refuse the application, the applicant may ask for a hearing and the opportunity to make written or oral representations)
- a member decision making body only may initiate a revocation of a licence.
- a member decision making body only may impose conditions on a licence.
- An officer should be empowered to make decisions in respect of approvals of licences and may refuse a licence in circumstances where the applicant has not expressed the wish to make representations within the specified time after a notice has been served under Section 7 stating the licensing authority proposes to refuse the application.

(2) Council be recommended to authorise the Interim Head of Legal Services and Monitoring Officer to make appropriate changes to the Constitution following the meeting of the Licensing Committee.

12 WORK PROGRAMME

The Committee considered a report summarising its work programme to date, including progress with various work streams:

Review of Officer Scheme of Delegation

The member working group appointed to review the scheme of delegation had now submitted a revised scheme for the Committee's consideration as discussed earlier in the meeting.

Frequency of Meetings

The Committee at its meeting on 24th January 2013 had considered whether the frequency of the Council's meetings should be reviewed. The officers had been asked to submit a report to the Committee's meeting on 19th September 2013 following further detailed work, and having allowed time for the new scrutiny committees and policy development groups to settle in.

It had not been possible to bring a report back to the Committee at this time because the new scrutiny committees and policy development groups were still settling in, and it was now considered appropriate in the light of experience to review the scrutiny and policy development arrangements. The outcome of such a review would help inform the report back on frequency of meetings. The Head of Governance and Democratic Services hoped to be able to bring a report to the Committee's meeting on 21st November.

Policy Development Groups and Scrutiny Committees

The new structure of policy development groups and scrutiny committees was still settling in. However, it was now considered appropriate to review the arrangements in the light of experience to date. It was proposed that a member working group be appointed to conduct the review and that the group whips be asked by the Head of Governance and Democratic Services to submit the names of their nominated members to the working group.

Transparency

The member working group appointed to review the scheme of delegation had now completed that work and a meeting of the working group would shortly be convened to consider the issue of transparency and openness.

Size and Structure of the Constitution

The officers had been undertaking two separate streams of work which would be co-ordinated with a view to submitting proposals for the Committee's consideration in due course.

Review of the Procedure Rules

At its meeting on 5th June 2013, the Committee had agreed that a general review of the various procedure rules within the Constitution would be beneficial. This review would begin when resources allowed and members had determined the means by which it would be conducted.

Notice of Motion – Staffing Committee Terms of Reference

The Head of Human Resources would be submitting a report to the Committee's meeting on 21st November 2013.

RESOLVED

That

- (1) the current progress with the various work streams be noted;
- (2) a full report on the frequency of meetings, including the related issues identified in the report, be submitted to the Committee's meeting on 21st November 2013;
- (3) a member working group be appointed, the size and composition to be determined, to commence the review of the scrutiny and policy development group structure; the group whips be asked to submit to the Head of Governance and Democratic Services the names of their nominated members to the working group; and the working group be

asked to seek independent support and advice from the Centre for Public Scrutiny.

The meeting commenced at 2.00 pm and concluded at 2.55 pm

CHESHIRE EAST COUNCIL

Constitution Committee

Date of Meeting:	9 th October 2013
Report of:	Interim Head of Legal Services and Monitoring Officer
Subject/Title:	Review of Powers and Responsibilities of Officers

1.0 Report Summary

- 1.1 This report requests Members' consideration of a newly-drafted section of the Constitution which sets out the Powers and Responsibilities of Officers and Proper Officer Provisions (which is given a new title in the document of Scheme of Delegation to Officers). These are the powers delegated by full Council to Officers to make decisions and take action. The draft document (Appendix 1) has been the subject of consideration by a Members' Working Group, set up by the Constitution Committee for this purpose.

2.0 Recommendation

- 2.1 To recommend Council

1. to approve the Scheme of Delegation to Officers; and
2. to authorise the Interim Head of Legal Services and Monitoring Officer, in consultation with the Chairman of the Constitution Committee, to incorporate the new Management Structure into the Scheme of Delegation to Officers when all necessary aspects of the structure are settled.

3.0 Reasons for Recommendations

- 3.1 A review of the Powers and Responsibilities of Officers has been required to ensure the Constitution is up to date, addresses Members' current aims and reflects the needs of the Council. It does also need to reflect the changes to the Council's Management Structure, which are not yet finally confirmed. In addition the review of this section of the Constitution provides an opportunity to clarify this part of the Constitution and eliminate any inconsistencies.

4.0 Wards Affected

- 4.1 All

5.0 Local Ward Members

- 5.1 All

6.0 Policy Implications

- 6.1 The delegations to officers relates to operational decisions by officers. The draft document makes it clear that all decisions made by officers must comply with policy approved by Members.

7.0 Financial Implications

- 7.1 The Finance Procedure Rules are not proposed to be amended by the revised Powers and Responsibilities of Officers. Where the document refers to financial issues it reflects those Rules as they are currently approved by Council. The draft document makes it clear that all decisions made by officers must be within approved budgets.
- 7.2 The only exception to the above is the “Note to paragraph 6.4 which conflicts with the Financial Procedure Rules (relevant parts copied at paragraph 1.6). The note requires all bad debt to be written off by Portfolio Holder or Cabinet. The Financial Procedure Rules allow officers to write off debt up to £2,500. A decision needs to be made regarding as to which approach members wish to take.

8.0 Legal Implications

- 8.1 The Council needs to keep its Schemes of Delegations to Committees, to Portfolio Holders and to Officers up to date in order to ensure that it is clear who has the ability to make decisions and to reduce the risk of challenge to the Council that a decision has not been made with the correct authority.
- 8.2 In accordance with Cheshire East Council’s current Constitution (Paragraph 3 of the Terms and Conditions of the Constitution Committee in Part 3 of the Constitution) changes to the Constitution are required to be agreed by Council, following recommendation from the Constitution Committee.
- 8.3 Any changes need to reflect statutory requirements. This has been considered as part of this review.

9.0 Risk Management

- 9.1 As paragraph 8.1 above.
- 9.2 The review has provided an opportunity to reduce the inconsistencies in the Constitution and to put in place a workable operational decision making framework.

10.0 Background and Options

- 10.1 This matter was deferred at the meeting of the Constitution Committee on 19th September. Since that date work has been undertaken to “cut and paste” it to incorporate the new management structure. There have been no substantive

changes to the work of the Constitution Committee Member Working Group. The text in red in Appendix 1 comprises the further comments of the chairman of the Working Group.

- 10.2 At its meeting on 5th July 2012 the Constitution Committee resolved that in respect of the review of the Constitution "...that officers give priority to work on the scheme of delegation". This report is the culmination of that piece of work.
- 10.3 A Member Working Group was set up by the Constitution Committee at its meeting on 17th November 2011 to make recommendations on detailed changes to the Constitution. The Working Group has undertaken considerable work on the Scheme of Delegation.
- 10.4 The exercise has involved an extensive re-write of the whole of the section in the Constitution dealing with Officer Delegations. The proposed format is that all delegations from Council are to the Director or the most senior officer with responsibility for the function, who will then internally cascade delegations to other designated staff within the organisation as appropriate to the particular operational requirements of the service.
- 10.5 The Member Working Group has agreed that the Scheme of Delegation in Appendix 1 be referred to Constitution Committee. Paragraph 1.5 is additional to the work of the Member Working Group and is suggested in order to ensure the Constitution can keep up to date with all structural changes as they occur. The key changes to the Scheme are shown in Appendix 2, in particular the proposed additional Member involvement in decision making.
- 10.6 The Delegations to the Director of Public Health (Section 8 of the Scheme) were approved by Council on 28th February 2013 and are awaiting review by the Member Working Group.

Appendix 2

KEY CHANGES TO THE SCHEME OF DELEGATIONS TO OFFICERS (FORMERLY POWERS AND RESPONSIBILITIES OF OFFICERS)

Overview

1. Delegations have been given to the highest level – CLB level or other appropriate senior officer.
2. Largely the powers remain the same or have been changed to enable more Member involvement.
3. Duplication and inconsistencies have been deleted
4. Ensures consistencies with the Finance and Contract Procedure Rules.
5. Simpler wording and a shorter document.
6. Ensure it is more up to date and give it some future proofing.

Changes giving more involvement for Members

7. The setting of fees and charges have been removed from officer delegation.
8. Opening and closing libraries and sports centres on a permanent basis has been removed from officer delegation. (3.94 and 3.37)
9. All CLB Members, not just Statutory Chief officers shall be appointed through the Staffing Committee (including approving job descriptions and person specifications for CLB. (1.17)
10. All grants (of any financial level) to voluntary and community organisations above to be decided by Portfolio Holder (up to £50,000) and by Cabinet (over £50,000). (1.15)
11. The Leader and Portfolio Holders may direct CLB members to undertake pieces of work in relation to new policy development. (1.7)
12. Freedom of Information requests shall only be refused with the permission of the Portfolio Holder. (1.22)

14. Assets section has been completely rewritten, since there were significant inconsistencies. The proposal is that essentially all maintenance of property

(granting licences, short term leases, easements etc is for officer decision. Acquisitions and disposals below £200K are officer decision provided they are in compliance with the Corporate Asset Management Plan. Acquisitions and disposals of land and property between £200K and £500K is for Portfolio Holder decision and over £500K is for Cabinet. (3.10 – 3.23)

15. Officers cannot refuse an application from a Town or Parish Council to place plant, structure, trees and equipment in, on or over a highway – Refusal can only be determined by the Portfolio Holder. (3.68)
16. The ability for a Portfolio holder to make minor changes to the implementation of a Cabinet Decision when there is a change of circumstances or something arises which is new. This minimises delay when officers come across something unexpected when implementing a Cabinet decision. (1.13 and 1.14)
17. CLB Members can make application for planning permission, (they can do this currently). The proposal is that they must notify the appropriate Portfolio Holder and cannot build anything prior to obtaining planning permission. (1.25)
18. There are some provisions where it is intended that ward members are to be notified or consulted before a decision is made: e.g. where work to council land or property will affect the external appearance or involve a change of use; the grant of permission for refreshment facilities on public footpaths; authorising the use of footpaths for motor vehicles or as cycle tracks. (3.83)
19. An ability to refer matters up to an appropriate portfolio holder is added for all decisions (it is currently only in some sections).
20. Traffic Regulation Orders: in the current Scheme of Delegation there are conflicting provisions – one provision is in consultation with Portfolio Holder and another is not. This proposal is to continue with consultation. (3.69)
21. Imposing or varying car park charges shall be a Portfolio Holder decision. This was something previously agreed by Council, but not written in the Constitution. (3.90)
22. A decision to remove a school crossing patrol is to be the decision of the Portfolio Holder. (3.82)
23. Concessionary travel schemes: the agreement of terms shall be in consultation with the Portfolio Holder. (3.82)
24. The organisation of school transport shall be in consultation with the Portfolio Holder. (3.82)
25. The delegations to manage Tatton Park are proposed to be restricted to the “day to day” management and changes to admission charges and permanent

changes to the opening hours shall only be with Portfolio Holder approval.
(3.23)

Other substantive changes

26. The Chief Executive is given the ability to take all powers of directors and either exercise them himself/herself or delegate them elsewhere. (1.11)
27. There is a requirement that all officers, before making decisions are under a duty to satisfy themselves that they have the delegated power to do so and that they have undertaken appropriate consultation. Also appropriate advice must be taken where the matter involves professional or technical considerations that are not within the Officer's sphere of competence. (1.8)
28. Officers do not have the authority to sign a compromise agreement which contains a clause requiring the non-disclosure of information by the employee. (1.17)
29. One of the general limitations on decision making shall be that there are regular briefings between senior management and portfolio holders. (1.7)
30. A database of council land ownerships shall be published. (3.16)
31. Missing legislation (some new) has been incorporated:
 - a. Animal Health Functions (3.46)
 - b. new provisions prohibiting payment for scrap metal by cash (3.43)
 - c. removal of dangerous trees. (3.9)
32. Secondment of staff to and from other organisations. The current scheme allows secondment to other organisations. The proposal is to be able to accept secondments from other organisations e.g. this may be needed as part of partnership working with health bodies.
