**Background:**

Cheshire East Council has received various applications for community grants to be considered in line with the Council's Policy for the Allocation of Community Grants. All of the proposed grants can be funded from within existing budgets approved as part of the Council's Budget for 2014/15.

The aim of the grants is to support small scale community projects that will improve the quality of life for local communities. Grants will be awarded to organisations/project/events which meet the priorities in the Cheshire East Sustainable Community Strategy.

In addition consideration was given to an overpayment made to Ashley Cricket Club in April 2014.
