<b>Date of Meeting:</b>	23 November 2015
<b>Report of:</b>	Executive Director of Economic Growth and Prosperity
<b>Subject/Title:</b>	Neighbourhood Planning Grant Funding Application - Goostrey
<b>Portfolio Holder:</b>	Councillor Ainsley Arnold

---

**1.0 Report Summary**

1.1 The report considers neighbourhood grant funding applications submitted by:

- Goostrey Parish Council

Applications are assessed against the Policy for the Allocation of Neighbourhood Planning Grants (PANPG), included in this report at Appendix 1.

**2.0 Recommendations**

2.1 Approve funding requests for £2000 for Goostrey Parish Council

**3.0 Reasons for Recommendations**

3.1 The PANPG sets out the approach the Council will take to allocate funding to designated bodies preparing neighbourhood plans. Up to £7000 per designated body is available to support neighbourhood planning activity. Funding applications are assessed against the criteria held in the policy and applications that seek to allocate development sites, support the Cheshire East Emerging Local Plan Strategy and demonstrate creativity and innovation are encouraged.

3.2 Request to fund items below have been considered and either rejected or subject to receipt of a lower grant offer

**3.3 Goostrey Parish Council:**

Amount applied for: £2000

Website development	£300
Printing, distribution and questionnaires and distribution:	£1700
<b>Total:</b>	<b>£2000</b>

Recommendation: Approve £2000

Reasons for recommendation:

- The Parish Council are proposing to use funds to engage the local community via the development and improvement of a website specifically for the neighbourhood plan. Encouraging digital engagement can reach a wide audience and offers significant cost savings in the long term

- Alongside this a more traditional approach of offering hard copies of questionnaires and other information is being adopted to ensure that those who may not have access to the internet are able to participate and that their views on the development of the plan can be taken in to account.

#### **4 Wards Affected**

4.1 Dane Valley

#### **5.0 Local Ward Members**

5.1 Councillor Les Gilbert; Councillor Andrew Kolker

#### **6.0 Policy Implications**

6.1 Neighbourhood plans, once 'made' (adopted) by Cheshire East Borough Council will form a statutory part of the Development Plan for the Borough and used to inform planning decisions.

#### **7.0 Implications for Rural Communities**

7.1 Neighbourhood plans enable rural communities to participate in the plan making process and develop policies to address those planning matters that affect their interests and well being. The neighbourhood planning process generally allows greater engagement of rural communities and for such communities to take ownership of planning policy which directly affects their lives.

#### **8.0 Financial Implications**

8.1 All of the proposed grants can be funded from within existing budgets approved as part of the Council's Budget for 2015/16 and are supported by grant funding drawn down from central government.

#### **9.0 Legal Implications**

9.1 The Council has the powers to award grants to organisations using its general power of competence in section 1 of the Localism Act 2011. In exercising the power the Council must satisfy its public law duties. In essence this means that in making the decision the Council must have taken into account only relevant considerations, followed procedural requirements, acted for proper motives and not acted unreasonably. A grant policy is a clear statement of the criteria that the Council is applying and is essential if the Council is to defend any challenge to its decision making process.

9.2 Cabinet has approved and Cheshire East Council has put in place a Policy for the Allocation of Grants to Voluntary and Community Organisations 2015/16. This Policy deals with the allocation of community grants which are awarded to defined Organisations following an application process and against set criteria. There are conditions requiring that Organisations report back to the Council upon expenditure of the grant and to enable further appropriate conditions to be imposed. The decision making process was delegated to the Portfolio Holder in order ensure that decisions can be made expeditiously and at the appropriate level.

9.3 Grant funding organisations based on the application of the Council's grant policy satisfies the Council's public law duties.

## **10.0 Risk Management**

- 10.1 The risk is that not providing funding for neighbourhood planning activities may result in communities being prevented from producing neighbourhood plans and introducing planning policies that will benefit the community across a range of indicators.

## **11.0 Background and Options**

- 11.1 Applications received and allocated in accordance with Cheshire East Council's Neighbourhood Planning Grants Policy.

## **12.0 Access to Information**

## **Appendix 2: Policy for the Allocation of Neighbourhood Planning Grants 2014/15**

### **Background**

Cheshire East Council operates a Neighbourhood Planning Grants Scheme within the boundaries of Cheshire East. This Policy addresses the governance arrangements, procedures and monitoring process to facilitate the scheme.

The aim of the Neighbourhood Planning Grants Scheme is to support Local Councils or Neighbourhood Forums with the preparation of Neighbourhood Plans, specifically to support the commissioning of support for technical planning advice, consultation, community engagement and the commissioning of relevant evidence necessary toward plan making.

Grants will be awarded that meet the priorities in the Sustainable Community Strategy – [Ambition for All](#), and support the Strategic Priorities held within the emerging Local Plan Strategy for Cheshire East. Both documents are available from the Council's website in the Community and Living section.

When using the term grants in this Policy it refers to the giving of a fixed amount of Council funds to Organisations through an application and assessment process which takes place on a rolling basis across the financial year.

### **Legal and Budgetary Framework**

The Housing and Jobs Portfolio Holder, (or whichever Portfolio Holder has responsibility for Neighbourhood Planning Grants at the time of making the grants decisions), will be responsible for the Neighbourhood Planning Grants Scheme and has delegated authority to approve applications for grants from Local Organisations (Local Councils and Neighbourhood Forums) to assist in developing Neighbourhood Plans, subject to the maximum amounts set out in the General Conditions of this Policy.

The Neighbourhood Planning Grant budget is fixed and so there is a limited amount of money from which to pay Neighbourhood Planning Grants under this policy.

Funding may not be available in future financial years and is dependent on future budget allocations.

All grant decisions will be made based on the set of principles, set out in this Policy, and within the agreed budget approved by Council each year. The budget for the grants is managed carefully and flexibly to ensure that the Council has money available throughout the year. As far as possible the Council try to ensure that no one is disadvantaged due to the time of year they apply.

Given the fixed budget and the Council's aim to benefit as many Organisations as possible, the Council cannot guarantee to fund the maximum amount applied for; therefore Organisations must ensure that they have procedures in place to cover the balance of funding required. The Council will not pay a grant unless the Organisation can demonstrate that the balance of the funding is available.

The Portfolio Holder will be responsible for setting aside a proportion of the available budget for promotion and publicity purposes, as required.

### **Application Process**

The Cheshire East Neighbourhood Planning Grants Scheme operates within set criteria, agreed by the Portfolio Holder and relevant Council Officers in line with the Council's Corporate Priorities as follows:

### **How to Apply**

Applications for Community Grants must be made using the Council Neighbourhood Planning Grant application form and associated guidance notes that are available online on the Council's website and as a paper version on request.

The application form must be completed in full. Incomplete application forms will be rejected. A copy of the Organisation's signed Constitution must be sent with the application form or within 7 days of submitting the application. If this is not received the application will be deferred and may result in the application being declined. Supporting documentation (listed under section 8 of the application form) may also be requested prior to the application being fully considered. Failure to supply all required documentation will result in the application being treated as incomplete.

Grants may be paid retrospectively where it can be evidenced that any work commenced prior to acceptance of the grant offer was for the purposes of preparing a Neighbourhood Plan. In such circumstances, grant applications will be considered but there is no presumption that the grant will be awarded

Organisations that have received existing financial support from Cheshire East Council toward preparing a Neighbourhood Plan will not be eligible for support from this grant scheme.

All successful applicants will be required to complete a post grant monitoring report.

If the project, event or activity is cancelled or only partially achieved, or if the Organisation is wound up, any unused grant money must be returned to the Council.

All conditions under which the grant has been awarded, including any Special Conditions, must be met. Failure to do so could result in the Organisation being asked to repay the grant monies to the Council.

### **Decision making process:**

The Neighbourhood Planning Grant applications will be considered on a rolling basis at the earliest opportunity once an application is received.

Having assessed an application a Recommendations Report is prepared for consideration by the Portfolio Holder at a public decisions meeting.

Following the public meeting, a decisions report is circulated to all elected members who must make any comments within 5 working days (the "Call-in Period").

Should any comments/objections be made during the 5 day Call-in Period a further public meeting is held to discuss the comments/objection(s) and adjust and make further recommendations.

Special Conditions may be added in the Recommendations Report, by the Portfolio Holder following the public meeting and/or following comments received during the Call-in Period if considered necessary in order to ensure that the purpose of the grant funding is achieved. If the project is dependent on other factors such as securing match funding a Conditional Offer may be made subject to these conditions being met.

If there are no objections (or after the follow up public meeting), the decisions will be treated as final and Organisations will be notified to inform them of whether they have been successful or not as soon as possible after the Call-in Period has ended and generally within 6 weeks after the closing date for each round of applications.

Complaints about any aspect of the Community Grant process will be dealt with under the Council's Corporate Complaints Procedure. A copy of the [Council's Corporate Complaints, Compliments and Suggestions Policy](#) is available from the Council's website.

This report shall include, but shall not be limited to, how many people benefitted from the project, if a profit was made and how it was used, how the grant money was used and what difference the project made to the Organisation and/or local people.

The Council reserves the right to monitor the use of the grant and ask for evidence to support an application.

The Organisation must allow reasonable access to premises/accounts upon request from the Council.

Organisations must retain records relating to the grant for an appropriate period (to be advised depending on the grant).

If Organisations do not supply the required monitoring reports and supporting information in full and within the set time scale they may be asked to repay the grant funding to the Council. Failure to comply with the conditions of this grant may be taken into account when considering any further applications for grant funding made by the same Organisation in the future.
