16 ALLOCATION OF COMMUNITY GRANTS

The Cabinet Member for Communities and Health considered a report on the award of community grants to voluntary and community organisations which met the criteria approved by Cheshire East Council.

The Council had received various applications for community grants to be considered in line with the Council's policy for the allocation of community grants. The report covered the second round of grants for 2016/17 and made recommendations totalling £35,367. Each grant application was outlined in the report, as was the reason for the recommendation in respect of that application.
