

Health and Adult Social Care and Communities Overview and Scrutiny Committee

Agenda

Date:	Thursday, 3rd May, 2018
Time:	10.00 am
Venue:	Committee Suite 1,2 & 3, Westfields, Middlewich Road, Sandbach CW11 1HZ

The agenda is divided into 2 parts. Part 1 is taken in the presence of the public and press. Part 2 items will be considered in the absence of the public and press for the reasons indicated on the agenda and at the foot of each report.

It should be noted that Part 1 items of Cheshire East Council decision making and Overview and Scrutiny meetings are audio recorded and the recordings will be uploaded to the Council's website

PART 1 – MATTERS TO BE CONSIDERED WITH THE PUBLIC AND PRESS PRESENT

1. **Apologies for Absence**

2. **Minutes of Previous meeting** (Pages 5 - 8)

To approve the minutes of the meeting held on 12 April 2018.

3. **Declarations of Interest**

To provide an opportunity for Members and Officers to declare any disclosable pecuniary and non-pecuniary interests in any item on the agenda.

4. **Declaration of Party Whip**

For requests for further information

Contact: Helen Davies

Tel: 01270 686468

E-Mail: helen.davies@cheshireeast.gov.uk with any apologies

To provide an opportunity for Members to declare the existence of a party whip in relation to any item on the Agenda

5. Public Speaking Time/Open Session

A total period of 15 minutes is allocated for members of the public to make a statement(s) on any matter that falls within the remit of the Committee.

Individual members of the public may speak for up to 5 minutes, but the Chairman will decide how the period of time allocated for public speaking will be apportioned, where there are a number of speakers.

Note: in order for officers to undertake and background research, it would be helpful if members of the public notified the Scrutiny Officer listed at the foot of the Agenda at least one working day before the meeting with brief details of the matter to be covered.

6. Future arrangements for Eastern Cheshire Dermatology Contract

To receive a briefing and presentation on the Eastern Cheshire Dermatology Contract and forecasted changes to the service in respect of the current provider serving notice on the contract. Report to follow.

7. Quality Accounts Presentation: East Cheshire NHS Trust (Pages 9 - 18)

To receive a presentation to review the Quality Account 2017/18 of East Cheshire NHS Trust and submit comments for inclusion in the Account.

8. Quality Accounts Presentation: Cheshire & Wirral Partnership

To receive a presentation to review the Quality Account 2017/18 of Cheshire and Wirral Partnership (CWP) and submit comments for inclusion in the Account. Report to follow.

9. Quality Account: Mid Cheshire Foundation Trust

To receive a presentation to review the Quality Account 2017/18 of Mid Cheshire Foundation Trust (MCFT) and submit comments for inclusion in the Account. Report to follow.

10. Work Programme (Pages 19 - 22)

To review the current Work Programme

11. Forward Plan (Pages 23 - 34)

To consider the current Forward Plan.

Community Voluntary Services:

Caroline O'Brien- Chief Executive Officer

Alzheimer's Society:

Joanne Hawkins- Alzheimer's Society Support Services Manager

Royal British Legion:

Nick Weyman- Advice and Information Officer

Healthwatch:

Louise Barry- Chief Executive Officer

98 MINUTES OF PREVIOUS MEETING

RESOLVED: That the minutes of the meeting held on the 8 March 2018 be confirmed as a correct record and signed by the Chairman.

99 DECLARATIONS OF INTEREST

Councillors S Gardiner, A Stott, and M Warren declared a personal interest in minute number 104, Mental Health Spotlight Review, as they were all Members of the Royal British Legion.

100 DECLARATION OF PARTY WHIP

There were no declarations of the existence of a party whip.

101 PUBLIC SPEAKING TIME/OPEN SESSION

There were no members of the public who wished to speak.

102 WORK PROGRAMME

The Chairman advised the Committee that he and the Vice-Chair had their quarterly meeting with Eastern Cheshire Clinical Commissioning Group, there were a number of items that had been added to the Work Programme in that meeting that will be updated by the next meeting.

RESOLVED: That the Work Programme be received and noted.

103 FORWARD PLAN

RESOLVED: That the Forward Plan be received and noted.

104 MENTAL HEALTH SPOTLIGHT REVIEW

The Chairman welcomed officers from across Cheshire East Council and external commissioners and health provider partners representing Eastern Cheshire Clinical Commissioning Group (CCG), Cheshire and Wirral Partnership (CWP), Vale Royal and South Cheshire CCG, Community and Voluntary Services (CVS), The Alzheimer's Society, The Royal British Legion and Healthwatch.

The Chairman explained that the intention if this item was for the Committee to use a Parliamentary style select committee approach, in public, to consult with and question key partners as stakeholders. This would enable the Committee to gather evidence about how the system currently works, whether it is effective, and make recommendations as to how improvements might be made across the whole system.

Following the review the Committee will produce its findings, conclusions and recommendations in a formal report which will be sent to commissioners and providers for them to consider.

This review was not endorsed or linked in any way to the current Mental Health Redesign consultation being carried out by CWP and Eastern Cheshire CCG.

Commissioners and providers had been asked to provide detail of current mental health provision and how this linked to the wider NHS 5 Year Forward View. CVS and Healthwatch had been asked to contribute to this review from the perspective of the Third Sector and current experiences or trends that the Committee would find useful.

Time was given at the end of the presentation for the Committee to question the presenters for matter of clarification or further questioning on any matters that had been discussed.

RESOLVED:

- (a) That all the speakers be thanked for their attendance and presentations;
- (b) That a report be produced to document the findings, conclusions and recommendations by this Committee and be reviewed back at this Committee on completion before circulation to wider partners.

The meeting commenced at 9.30 am and concluded at 3.00 pm

Councillor S Gardiner (Chairman)

East Cheshire
NHS Trust
Quality Account
2017/2018

Spotlight on 2017/18

April

The Walking Majors initiative was introduced in A&E as an alternative process for streaming majors patients who do not require treatment on a trolley

May

A record turnout of over 250 people at International Nurses' Day, which included Nurses' Day learning events relating to four key areas – frailty, dementia, falls and wound care.

June

26 staff members completed their Care Certificate introduced to support workers with the knowledge and skills needed to provide safe, compassionate care.

July

Advanced podiatric specialist George Dunn was given a Fellowship of the Faculty of Podiatric Medicine by the Royal College of Physicians and Surgeons of Glasgow.

August

The trust was among a group of Cheshire organisations which came together to transform palliative and end-of-life experience and care via a new collaborative plan.

September

The Critical Care Outreach Team introduced a new sepsis proforma to improve learning and promote awareness of sepsis to staff, patients and relatives

October

The trust launched #Endpjaralysis, a social media campaign aimed at enabling hospitalised patients to get up, dressed and moving to prevent deconditioning.

November

Trust district nursing sister and University of Chester nursing student Jodie Carr was recognised as one of the highest-achieving nurses in the country.

December

A major redevelopment of Macclesfield Hospital's A&E was completed to help patients access the care they need more efficiently.

January

The trust's Maternity department was one of just four nationally which performed 'better than expected' in the CQC Maternity Services Survey 2017.

February

Single Sign On was rolled out to all wards at Macclesfield Hospital to speed up access to clinical applications.

March

Free patient and public Wi-Fi was launched throughout Macclesfield District General Hospital

Achievements against 2017/18 priorities

1. **Harm Free Care** **Achieved**
2. **Improving Outcomes** **Achieved**
3. **Listening and Responding** **Achieved**
4. **Integrated Care** **Achieved**

“All staff were approachable, helpful and kind during my stay. No question was too silly and really helped me with my confidence with my first baby.”

Maternity

Achievements against 2017-18 priorities

Domain	Action Focus	Progress
Harm Free Care (Evidence of significant improvement)	Reduction in falls with harm	<ul style="list-style-type: none"> The injurious falls rate per 1000 occupied bed days for 2017/18 has been achieved Appointment of falls coordinator to work with wards to review all falls and ensure accuracy of reporting Review and trial of falls sensor equipment Continued embedding of multi-factorial falls assessment Implementation of enhanced care pathways
	Reduction in pressure ulcers associated with lapses in care	<ul style="list-style-type: none"> Overall increase in number of reported pressure ulcers developed on caseload due to improved reporting and increased complexity and acuity of patients (65% stage 2) Number of avoidable pressure ulcers has reduced for second successive year (53% reduction)
	Reduction of Clostridium <i>difficile</i> infection	<ul style="list-style-type: none"> Overall reduction in number of Clostridium <i>difficile</i> infections- nine cases in year against national trajectory of 14 cases
	Reduction in infant mortality	<ul style="list-style-type: none"> Estimated foetal weight charts implemented and staff trained in their use Symphysis fundal height charts implemented and staff trained in their use
	Reduction in medication errors and near misses	<ul style="list-style-type: none"> Improved insulin prescription sheet launched following user engagement with clinicians, nursing and pharmacy staff Ward-based pharmacy teams continue to review medication charts and audit against standards set out in National Patient Safety Alerts to ensure we maintain safe prescribing and medicines optimisation.
	Improved management of the acutely unwell, deteriorating patient	<ul style="list-style-type: none"> Ongoing AWARE training for non-registered staff Improved sepsis proforma includes community and paediatric pathway Further focus to embed compliance with sepsis bundle
	Skill mix review of acute ward areas	<ul style="list-style-type: none"> Successful pilot programme for trainee nurse associates who will complete their training in December 2018 Skill mix reviewed on all hospital wards prior to the implementation of Safecare Rostering Tool which will provide real-time overview of patients acuity levels and allow for safe redeployment of staff where possible Ongoing review of staffing and skill mix to maintain patient safety

Achievements against 2017-18 priorities

Domain	Action Focus	Progress
Improving outcomes (Evidence of significant improvement)	Embed SAFER flow principles	<ul style="list-style-type: none"> • Multidisciplinary morning board round implemented with use of expected date of discharge on all wards • #last1000days social media campaign with monitoring on 'red to green days' • #endpjaralysis campaign implemented on MAU, Ward 9 and Ward 11
	Implement dementia care strategy	<ul style="list-style-type: none"> • Dementia care bundle revised and embedded including 'This Is Me' patient passport across the trust • Signposting patient and carers to available support network
	Implement new mortality governance process	<ul style="list-style-type: none"> • Mortality governance policy implemented in April 2017 • Mortality nurses reviewed every death and completed online audit proforma to identify any learning
Listening & responding (Evidence of significant improvement)	Implementation of WI-FI across hospital site	<ul style="list-style-type: none"> • Full implementation of public/ patient Wi-Fi achieved across hospital site in February 2018
	CQC Annual National Inpatient Survey	<ul style="list-style-type: none"> • Positive assurance gained in relation to key themes for provision of level of care, friendly helpful staff, efficiency of services and professionalism of staff
	Friends and Family Test	<ul style="list-style-type: none"> • Overall positive Friends and Family test results throughout the year
Integrated care (Evidence of significant improvement)	Implement case manager role in community teams	<ul style="list-style-type: none"> • Case management role implemented across all teams • Community matron input into residential homes • Integrated care nurses allied to community hubs • Integrated assessment documentation in place and being consistently used by frailty team
	Embed the use of Cheshire Care Record across all teams	<ul style="list-style-type: none"> • Audit of utilisation has improved more in East Cheshire NHS Trust than other sites

Implementation of the community framework hubs, improved partnership working with residential and nursing home providers and improving the end of life care pathway in both hospital and community settings.

CQC rating 2018

See our CQC report at: www.cqc.org.uk/location/RJN71/reports

Rated '**Good**' by the Care Quality Commission (CQC) following inspections of the trust's services and leadership during January and February 2018.

Multiple areas of **outstanding** practice including:

- Within community end of life care, staff consistently treated patients in a compassionate, dignified, and respectful way.
- In surgery staff worked with local members of the public with learning disabilities to produce pictorial information booklets to prepare patients for surgery.
- Boxes containing local memorabilia such as local history books were available for patients living with dementia.
- The frailty service provide 'wrap-around' treatment to support patients at home
- The children's ward was especially responsive to children and young people with learning disabilities on the autism spectrum and was accredited by the National Autistic Society.
- The play specialists developed special recreational bags for children with mental health issues.
- The report also highlights opportunities for improvement. Please see our full report.
