CHESHIRE EAST COUNCIL

Procedure for Hearings – Licensing Act 2003 COVID-19

This procedure has been drawn up to take account of the restrictions placed on the Country by the Government in its response to the COVID-19 pandemic and the Council's move towards the holding of virtual meetings.

As a Licensing Authority we are conscious that all Hearings of this nature must be run in accordance with the rules of natural justice and that any modifications to the format of the hearing should not undermine the requirements to hold a fair hearing.

It is the Council's intention to run the Hearing as close a possible to our procedure for Hearings set out in our Statement of Licensing Policy. However, it will be necessary to make a number of specific alterations.

The Council does not intend to hold any Hearings just on the pre Hearing papers (eg applications and written representations). The Council considers that a Licensing determination based solely on written material and without the opportunity for amplification, clarification, and questions does not best serve the decision-making process.

The Licensing Committee

The full Licensing Committee consists of fifteen elected Members of the Council. From this full Committee will be drawn sub-committees of three members to deal with licensing functions under the Licensing Act 2003. The Chairman and Vice Chairman of the Licensing Committee shall have the discretion to refer a matter up to a hearing of the full Licensing Committee.

Platform

The Council will use Microsoft Teams for all Hearings. This platform can be accessed on a landline, mobile, laptop or tablet. The Democratic Services Officers will ensure that the meeting is set up within the Microsoft Teams platform. All parties to the Hearing will received the Notice of Hearing required by the regulations and an email invitation with specific joining instructions for Microsoft Teams.

Web Casting

All Council meetings are web cast through the Council's website. This will continue to be the case during any lockdown period and will allow members of the public to listen to proceedings from their own home.

Connectivity Test

The Council will require Members, officers, and all parties to the Hearing to be available for a connectivity test 30 minutes before the start of the Hearing. This is to ensure that any issues can be identified and overcome before the start of the meeting. Notes on how this test will be conducted will be sent directly to parties.

Technical Issues

If during the course of the meeting, the Chairman determines any technical issues (for example, parties dropping out of the meeting or parties being unable to hear or follow proceedings etc) are compromising the integrity of the Hearing, the Chairman will have discretion to adjourn the matter to later date. The test the Chairman will use when considering any adjournment is what is best in the public interest (including the right of all parties to have a fair hearing). Any adjournment will either be to a date when technical issues can be overcome or to a date when a full hearing with all parties physically present can be held.

Etiquette

In order to maximise effectiveness of the Hearing all parties should:

- Identify themselves at the start of the Hearing when asked to do so by the Chairman
- Put their webcam and microphone on mute all times other than when addressing the Committee
- Indicate that you want to speak by using the chat function
- Only address the Committee when called to do so by the Chairman

Committee Reports

The Committee report and all relevant information will be posted on the Council's website at least 7 days prior to the Hearing. A link to the documents will be provided with the Notice of Hearing. The Committee report pack will be paginated and all parties should refer to this pack rather than their own bundles.

Late Evidence

Parties should submit any evidence for consideration of the Committee prior to the drawing up of the Committee agenda packs. This will mean that all information in containing in one paginated bundle that can be referred to by the parties (referencing pages numbers).

Evidence submitted on the day of the hearing can only be included when all parties to the hearing agree. It will ultimately be for the members of the Committee to decide if late evidence is accepted.

Decisions

In accordance with Hearings Regulations the Committee will make a determination at the end of the Hearing and the decision will be given within 5 working days. Some decisions are required to be given at the end of the Hearing, in this case the public meeting will resume once Members have deliberated and formed their decision.

Officers at Hearings

- **The Committee Officer** introduces all parties and records the proceedings
- **The Legal Adviser** provides independent advice to the Members on legal matters and procedure and will draw up the decision notice.
- **The Licensing Officer** will introduce the matter and outline the application; the officer will also answer any questions Members may have.

Licensing Act 2003 – Premises Licence

Duration of a Premises Licence

A premises licence has effect until such a time that it is suspended, revoked or surrendered.

Duty to notify change of name or address

The holder of a premises licence must, as soon as is reasonably practicable, notify the relevant licensing authority of any change of name or address.

Where the designated premises supervisor (DPS) under a premises licence is not the holder of the licence, he should notify the licensing authority of a change in name or address as soon as possible. The DPS must also notify the holder of the premises licence.

Failure without reasonable excuse to comply with the above is an offence, and a person will be liable on summary conviction to a fine not exceeding level 2 on the standard scale (ie£500)

Duty to keep and display licence

The holder of a premises licence must ensure that the licence or a certified copy of it is kept at the premises in the custody of or under the control of the holder of the licence or a person who works at the premises whom the premises licence holder has nominated in writing. A notice should be prominently displayed at the premises specifying the position of any such nominee.

The premises licence holder has a duty to ensure that a summary of the licence or a certified copy of that summary is prominently displayed at the premises.

Failure without reasonable excuse to comply with the above is an offence, and a person will be liable on summary conviction to a fine not exceeding level 2 on the standard scale (ie £500)

Duty to produce licence

A constable or an authorised person may require production of the premises licence for examination. An authorised person must, if requested, produce evidence of his authority to exercise the power.

Failure without reasonable excuse to comply with the above is an offence, and a person will be liable on summary conviction to a fine not exceeding level 2 on the standard scale (ie £500)

Theft or loss of premises licence

Where a premises licence or summary is lost, stolen, damaged or destroyed, the holder of the licence may apply to the relevant licensing authority for a copy of the licence or summary. A fee of £10.50 is payable in relation to such an application.

Where an application is made for a replacement licence or summary the licensing authority must issue the holder of the licence with a licence or summary if it is satisfied that –

- (a) the licence or summary has been lost, stolen, damaged or destroyed; and
- (a) where it has been lost or stolen, the holder has reported that loss or theft to the police.

Surrender of premises licence

Where the holder of a premises licence wishes to surrender his/her licence he/she may give the licensing authority a notice to that effect. The notice must be accompanied by the premises licence, or where that is not practicable, by a statement of the reasons for the failure to provide the licence. Where a notice of surrender is given, the premises licence lapses on receipt of the notice by the licensing authority.

Death, incapacity, insolvency of licence holder

A premises licence lapses if the holder of the licence –

- (a) dies,
- (a) becomes mentally incapable (within the meaning of section 13(1) of the Enduring Powers of Attorney Act 1985)
- (b) becomes insolvent,
- (c) is dissolved, or
- (d) if it is a club, ceases to be a recognised club

(subject to provision for re-instatement in certain circumstances).

55 Degrees Limited, 2-4 Crewe Road, ST7 2ES

Dear Sir or Madam:

We note the application for a variation to the Premises licence at the above address. We live at [REDACTED] which is very close to 55 Degrees. There are other residential properties nearby.

We wish 55 Degrees every success. However we are concerned about the proposed end of supply times. We are close neighbours and there will be noise from the premises particularly in summer months. We have been disturbed by noise from these premises before. Noise continues after end of supply as customers disperse. Therefore we would like the end of supply times to remain on Sundays at 22.00.

We would not like any music to be played in the outdoor area at 55 Degrees. We fear it would spoil the enjoyment of our garden, especially in summer months.

We also hear noise from [REDACTED] and [REDACTED] and [REDACTED]

On a more general note, we are concerned about extended alcohol supply/ sale times. Alcohol consumption affects judgement; social distancing and other COVID safe guidelines are then likely to be ignored or forgotten. Therefore for public health concerns, we feel that extending time when alcohol can be sold is to be avoided.

We look forward to your reply.

Yours faithfully,

[REDACTED]

Dear Sir

I am writing to state my **opposition** to the variation licence request, submitted by Fifty Five Degrees Limited, 2 - 4 Crewe Road, Alsager ST7 2ES

- To increase the hours for The Provision of Recorded Music
- The Sale and Supply of Alcohol on Sundays from 11.00 - 22.00 to 11.00 - 23.00

I am opposed to increasing the hours for the provision of recorded music as this will have an adverse noise impact on nearby residents of this area in their houses, apartments and flats. Residents wish to enjoy their environment noise free and be able to get themselves and their children to sleep in the evening/at night without continual external noise and the thumping associated with loud music.

The establishment has large bi fold doors to the rear which open out onto a very large open space used for seating etc. This area backs on to Brookhouse Drive and noise, particularly at night, carries into Station Road a residential area close by. Residents have already expressed concern about the noise levels which carry through open doors and windows. If music is allowed to be played until later in the night internally with windows open or externally with installed loud speakers, this will significantly increase the noise levels and impact on residents and their children. Noise levels are also worse in summer months when customers will want to be outside not inside when the weather is warm, or if due to COVID customers are required/prefer to be outside. Also customers who are merry/intoxicated tend to gather/linger at the street end/front of the property when leaving the premises at the end of the night and in doing so create additional noise after closing. This will further impact on residents even later into the night if the licencing hours are increased on a Sunday. Increased drinking time may also lead to an increase in anti social behaviour

Dear sir

I am aware that fifty five degrees, 2-4 crewe road Alsager has made an application to extend the hours to play recorded music and extended hours to serve alcohol.

I wish to object to this application on the grounds of potential noise and disturbance to local residents.

I would respectfully ask the licensing authorities to consider the wider impact their decisions have on the local community. As with everything a reasonable balance has to be established, and a gradually extension, followed by extension of hours avoided.

With best wishes

Subject: Bar 55 license extension

Dear Sirs,

I wish to object to the planned application for extended hours for Bar 55 on grounds of noise at closing time. I live quite close to this establishment and feel a later license will aggravate the social nuisance.

Thank you for considering.
