Hi Martin

I have checked our police records and we have had no incidents reported to us at The Crazy Moose since the 3rd November 2019.

We also have had very little issues with the bar over the years, which reflex's in the amount of incidents reported to us, being, 2 incidents reported to us in 2019 and 1 in 2018, then prior to this it was 2016.

If you need anything further please let me know.

Thanks

Hi Helen

Further to our conversation today, I would be very grateful if you could note down and forward details of any mentions of the Crazy Moose bar, 18 Lawton St, in any reports or responses to the police over the last 12 months. I do not think that there are any, but I would like to use the results of your report in support of our application hearing to increase the opening hours at the venue to 2am.

Please feel free to contact me if you need any further info

Kind regards

Martin Holmes
