LICENSING OBJECTIVE: PREVENTION OF PUBLIC NUISANCE

In order to protect the interest of local residents and ensure that the licensing objective of public nuisance prevention is upheld: all necessary steps shall be taken to ensure that any noise from the premises shall not be at a level which could cause a noise nuisance at the boundary of the nearest residential premises, therefore:

No music to be played in the outside drinking area except for events covered by a separate TEN's (temporary event notice) which will stipulate times for regulated entertainment.

When amplified musical entertainment is taking place inside the premises after 21.00 windows and doors, save for entrance and exit purposes, shall be kept shut.

The Licence Holder/Designated Premises Supervisor or responsible person nominated by him in charge of the Premises shall ensure that any noise emanating from the Premises is not audible at the boundary of noise sensitive properties.

Thirty minutes before the end of the time permitted for the provision of entertainment the music levels shall be gradually reduced to a lower volume and tempo.

There shall be notices located at the exit(s) requesting that customers leaving the premises do so quietly and with consideration to neighbours.

There shall be no disposal of bottles outside the premises between the hours of 21.00 and 09.00.

INFORMATIVES

PLANNING PERMISSION

- It is your responsibility to obtain other consent/planning permission/approvals which may be required in addition to the necessary Premises Licence.
- There are sometimes circumstances where planning conditions have been set which may impact on your activities. If the Planning Permission and the Premises Licence differ; for example where the Planning Authority have set a terminal hour which is earlier than those conditioned by the Premises Licence; you must abide by the earlier time otherwise you leave yourself open to enforcement action.

FOOD BUSINESS OPERATIONS

- Anyone starting a new food business must register with the Council **at least 28 days before** you start any food operations. You can register your food business online via GOV.UK. If you have premises in more than one local authority area, you must register with each authority separately.
