Dear Commissioner,

ANNUAL REPORT

Thank you for attending this morning's meeting of the Cheshire Police and Crime Panel and for presenting your draft annual report.

I can confirm that the Panel made no formal recommendations in relation to the annual report. The Panel congratulate you on the production of an interesting and informative document. As you will recall, a number of detailed comments were made which may assist your communications team with the production of annual reports in the future.

Yours sincerely.

Evan Morris
