54 CHESHIRE EAST COUNCIL ELECTORAL REVIEW

The Committee considered the recommendations of the Electoral Review Sub-Committee in relation to the future council size of Cheshire East Council.

This was in response to a review being conducted by the Local Government Boundary Commission for England of the electoral arrangements of Cheshire East Council. As part of that review, the Council was being consulted and invited to make a submission on council size to the Commission. The Sub-Committee had prepared the Council's submission which was appended to the report. The Committee was being asked to recommend the submission to full Council for approval.

This was the first stage of the review, which would go on to consider future warding arrangements. The Electoral Review Sub-Committee would, over the next few weeks, prepare a draft submission on warding arrangements which would be recommended to the Corporate Policy Committee in February for recommendation to full Council.

RESOLVED (unanimously)

That the Committee recommends to Council

- 1. that the council size submission attached as an appendix to the report be approved for submission to the Local Government Boundary Commission for England; and**

2. that authority be delegated to the Electoral Review Sub-Committee to make any final changes to the council size submission and related documentation which may be required following Council approval, prior to submission to the Boundary Commission.
