

## Forward Plan of Significant Decisions 2023-2024

This Plan sets out the significant decisions which the Council expects to take over the period indicated above. The Plan is rolled forward every month. A significant decision is defined in the Council's Constitution as: A decision which is likely to result in the Council incurring non-routine expenditure which is, or the making of non-routine savings which are, significant having regard to the Council's budget for the service or function to which the decision relates, and/or is likely to be significant in terms of its effects on communities living or working in an area comprising one or more wards or electoral divisions in the area of the Council. For these purposes, savings and expenditure are "significant" if they are equal to or greater than £1 million, unless the context requires otherwise. For clarification, no decision previously approved by the Finance Sub-Committee, and no treasury management decision, shall constitute a Significant Decision
