

**Appendix 3 - Photographs of Toft Church to Windomill Wood DMMO footpath claim**

**Photographs taken November 2023**

**1. Public Footpath no: 6 off public road leading to. Toft Church**

**2. Toft Church car park**

3. Sign in Church Car park about private car park and dogs on leads.

**4. Point A - start of claimed route from padlocked wooden field gate**

**5. Just few metres east of Point A - claimed route very overgrown and with high green mesh fence blocking access (installed more recently by Toft Estate)**

6. Point B – Culvert/Bridge looking in direction of Point A. Old metal gate and large tree trunk across route. Route is therefore blocked off between A-B in recent times.

**7. Route heading east from Point B bridge/culvert towards Point C into Windmill Wood**

**8. Point C where claimed footpath joins other public footpaths in Windmill Wood looking in direction of Point B.**
