Brief Description of Decision	To revoke the Bollington Neighbourhood Plan that was made on 1 June 2018 and make the Bollington Neighbourhood Plan (modification), confirming its status as part of the Development Plan for Cheshire East.
Reasons for the Decision and alternatives considered	<p>The original Bollington Neighbourhood Plan was made in 2018 and prepared by Bollington Town Council. Work on the Bollington Neighbourhood Plan (modification) formally began in 2024.</p> <p>Bollington Town Council have prepared a modification to the Bollington Neighbourhood Plan, which has been subject to consultation, and independent examination.</p> <p>The appointed examiner concluded that the Bollington Neighbourhood Plan (modification), subject to some recommended amendments, has met the requirements of the 'Basic Conditions' and other relevant legislation, and does not require a referendum.</p> <p>The only circumstances under which the Council may decline to make the neighbourhood plan are where an error in the legal process of preparing the neighbourhood plan has come to light. This is not the case for the Bollington Neighbourhood Plan.</p>

	Consequently, the existing Bollington Neighbourhood Plan, made on 1 June 2018 may now be revoked and the Bollington Neighbourhood Plan (modification), may now be made.
Member consultation and interests declared	Mick Warren Independent Councillor (Macclesfield East Ward) (Chair of the Environment and Communities Committee): Satisfied.
Significant Decision	NO.
Legal Implications	<p>The Secretary of State has made the Neighbourhood Planning (General) Regulations 2012 under powers conferred by the Town and Country Planning Act 1990 and the Planning and Compulsory Purchase Act 2004, and these Regulations ("the Regulations") came into force on 6th April 2012.</p> <p>Section 38(3A) of the Planning and Compulsory Purchase Act 2004 sets out that a neighbourhood plan forms part of the development plan if it is approved at referendum but not yet made by the Local Planning Authority (LPA). The neighbourhood plan will remain part of the development plan until the LPA decide not to make the plan.</p> <p>Proposals that are contrary to a made neighbourhood plan should not normally be approved and although where a local planning authority cannot meet its housing requirement, housing policies in the Development Plan may be considered out of date and adversely affect the weight that can be ascribed to them, the weight given to such policies is a matter for the decision maker.</p>

	The Bollington Neighbourhood Plan (modification) has been subject to examination, which confirms all the relevant legal and procedural tests have been complied with. The examiner determined another referendum was not required. This decision is to revoke the original plan that was made in 2018 and make the (modification) plan 2025, which will now form part of the Development Plan for Cheshire East.
Financial Implications	The decision to confirm that the Bollington Neighbourhood Plan is made is, like all decisions of a public authority, is open to challenge by Judicial Review. The costs of defending any judicial review will be borne by the Council.
