Brief Description of Decision	To revoke the original Haslington neighbourhood area (appendix 1) designation that was made on 16 February 2016 and make the Haslington neighbourhood area modification (appendix 2), for the purpose of preparing the Haslington Neighbourhood Plan.
Reasons for the Decision and alternatives considered	<p>National Planning Practice Guidance suggests that Local Authorities should seek to designate the neighbourhood area applied for by the local council concerned and give regard to the desirability of doing so.</p> <p>In this instance no circumstances exist where the exclusion of land from the proposed neighbourhood area were considered necessary; it is considered that the Haslington neighbourhood area application has been prepared in accordance with existing regulations and guidance and is desirable to designate for these reasons:</p> <ol style="list-style-type: none"> 1. The application submitted meets the requirements as presented at Part 2 (5) of the Neighbourhood Planning (General)

	<p>Regulations 2012 and in accordance with National Planning Practice Guidance on Neighbourhood Planning.</p> <ol style="list-style-type: none"> 2. Haslington Parish Council is the relevant body to undertake Neighbourhood Planning in this location. 3. No other applications have been made for Neighbourhood Areas covering all or part of the area. 4. There are no issues of a strategic nature in the Parish which give rise to a need to alter the area applied for. 5. A six-week consultation was held on the proposed Haslington neighbourhood area, which received no objections. <p>Given the above points, the proposed neighbourhood area is considered appropriate and desirable for the purposes of preparing the Haslington neighbourhood plan.</p>
Member consultation and interests declared	<p>Mick Warren Independent Councillor (Macclesfield East Ward) (Chair of the Environment and Communities Committee): Satisfied.</p>
Significant Decision	NO.
Legal Implications	<p>The Secretary of State has made the Neighbourhood Planning (General) Regulations 2012 under powers conferred by the Town and Country Planning Act 1990 and the Planning and Compulsory Purchase Act 2004, and these Regulations ("the Regulations"), which came into force on 6th of April 2012.</p>

	<p>Neighbourhood area applications must be made in accordance with Regulation 5 of the Regulations. Any qualifying body (including a parish council) is entitled to initiate the process. Applications must be publicised in compliance with Regulation 6 of those regulations. Section 61G of the 1990 Act sets out the requirements for determining applications for an area to be designated a neighbourhood area. In determining an application, the authority must have regard to the desirability of designating the whole area of a parish council as a neighbourhood area and the desirability of maintaining the existing boundaries of areas already designated as neighbourhood areas.</p> <p>Neighbourhood Development Plans and Orders, which may follow the making of a Neighbourhood Area, are prepared in accordance with the Town and Country Planning Act 1990 and the Planning and Compulsory Purchase Act 2004 (as amended by the Localism Act 2011) and the Regulations.</p>
Financial Implications	<p>The designation of the Haslington neighbourhood area for Haslington Parish will not incur direct costs to the Council in itself, however this application, and future applications, will require input and time from officers both in the Strategic Planning team and from other services. Support will be made available to Haslington Parish Council toward preparing the Haslington Neighbourhood Plan. This support is being made available within existing budgets. There are also other grants available from Cheshire East Council that may be awarded and from external bodies such as Locality.</p>

	At a later stage direct costs will be incurred as the Council is required to hold an independent examination and a referendum on the proposed Haslington Neighbourhood Plan. Under the Neighbourhood Planning (General) Regulations 2012, the costs of this examination and referendum are required to be met by the Council. Such costs will be met through existing budgets and through grant funding from central government.
