## Consultation and Engagement

- 7 There has been consultation with Group Leaders and Administrators in relation to the political representation of the bodies set out within this report.

## Reasons for Recommendations

- 8 In accordance with the Constitution, the Adults and Health Committee is responsible for the appointment of the bodies referred to in this report.

## Other Options Considered

9

Option	Impact	Risk
Do nothing	The Council's Constitution requires these bodies to be appointed in line with the legislation referenced in this report. Not appointing to these bodies would negatively affect the Council's ability to make decisions in an open and transparent manner.	Failure to comply with the Council's Constitution and the legislation referenced in this report could leave the Council open to legal challenge.

## Implications and Comments

### *Monitoring Officer/Legal/Governance*

- 10 The Adults and Health Committee has power to appoint informal working groups, panels or task groups with defined terms of reference and timeframes.
- 11 The Committee also has power and/or has historically been asked to nominate members to each of the sub-committees particularly where they fall within the remit of the Committee.
- 12 The Local Government (Committees and Political Groups) Regulations 1990, made pursuant to the Local Government and Housing Act 1989, make provisions in respect of the political group representation on a local authority's committees in relation to the overall political composition of the Council. The legislation applies to the decision-making committees and sub-committees of the Council and requires that, where proportionality applies, and seats are allocated to different political groups, the authority must abide by the following principles, so far as is reasonably practicable:
- Not all of the seats can be allocated to the same political Group (i.e., there are no single group committees).
  - The majority of the seats on the body are to be allocated to a political Group with a majority membership of the authority.

- The total number of seats on all ordinary committees and sub committees allocated to each Political Group bears the same proportion to the proportion on the full Council.
- The proposals contained in this report meet the requirements of the legislation.
- The 1990 Regulations require Political Group Leaders to notify the Proper Officer of the Groups' nominations to the bodies in question.

#### *Section 151 Officer/Finance*

- 13 There are no financial implications that require an amendment to the Medium-Term Financial Strategy as a result of the recommendations in this report.

#### *Human Resources*

#### *Policy*

- 17 There are no direct policy implications.
