### **33 REVIEW OF HACKNEY CARRIAGE SERVICE**

The Committee considered a report detailing the results of a consultation exercise which had been undertaken in relation to the hackney carriage service within the Borough.

The consultation document had requested views on the number and location of taxi ranks throughout the Borough, and future policy in relation to the numbers of hackney carriages, the tables of hackney carriage fares and the hackney carriage vehicle conditions within each of the three zones.

#### **RESOLVED**

- (a) That it be recommended to Cabinet or the Cabinet Member for Safer & Stronger Communities that an unmet demand survey be commissioned in all three of the hackney carriage zones.
- (b) That fares in each of the three hackney carriage zones within the Borough be increased by 10%, and that the Borough Solicitor, or an officer acting on her behalf, be authorised to publish notice of the proposals in each of the three zones, making provision for any objections to be submitted within the statutory consultation period of fourteen days; and
- (c) That, if no objections are received within the statutory consultation period, or if any objections that are received are withdrawn, the table of fares will come into operation in each of the three zones on the date of the expiration of the consultation period; and
- (d) That it be noted that if objections are received and not withdrawn, these will be reported to a future meeting of the Licensing Committee for consideration.

- (e) That officers be requested to produce a draft set of hackney carriage vehicle conditions for each of the three zones, based on the existing private hire vehicle specification, to include a requirement that all new hackney carriages be wheelchair accessible and provision for the increased testing of vehicles rather than an age limit for vehicles.
