dd mm yyyy

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

☒ Yes ☐ No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Continued from previous page...

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The premises is a contemporary and well-presented venue on Mill Street currently undergoing a revamp to enhance its versatility and appeal. It will operate as a relaxed health bar and café during the daytime throughout the week, transitioning into a vibrant and stylish bar and nightclub primarily on Friday and Saturday nights, with occasional special events on other days as appropriate.

The layout features a central bar, VIP booth areas, shelving around the perimeter for standing guests, and selective stool seating to maintain an open plan suitable for dancing and entertainment. The design ensures comfort, clear visibility, and effective management control at all times.

The variation supports the operation of a high-quality, well-managed venue that contributes positively to the local night-time economy and will not increase risk, noise, or disturbance to neighbouring properties.
