**INFORMATIVES**

**PLANNING PERMISSION**

- It is your responsibility to obtain other consent/planning permission/approvals which may be required in addition to the necessary Premises Licence.
- There are sometimes circumstances where planning conditions have been set which may impact on your activities. If the Planning Permission and the Premises Licence differ; for example where the Planning Authority have set a terminal hour which is earlier than those conditioned by the Premises Licence; you must abide by the earlier time otherwise you leave yourself open to enforcement action.

**FOOD BUSINESS OPERATIONS**

- Anyone starting a new food business must register with the Council **at least 28 days before** you start any food operations. You can register your food business online via GOV.UK. If you have premises in more than one local authority area, you must register with each authority separately.
