

Legend

 Cheshire East Boundary

Areas Susceptible to Surface Water Flooding

-  More Risk
-  Intermediate Risk
-  Less Risk

Notes:
The ASStSWF map gives an indication of the broad areas likely to be susceptible to surface water flooding, excluding building and drainage information. It is not suitable for use at an individual property scale due to the method used.
The data is the intellectual property of Jeremy Benn Associates Ltd and we are prohibited from making any commercial use, or permitting any commercial use by third parties.
