"That since the government is running the Photovoltaic roof panel scheme for householders to generate green electricity and have exempted this from all planning permission requirements, that this Council notify any enquirers that planning permission is not required and cease to require details, drawings or charges except for listed buildings or conservation areas for which permission is still required"

71 LOACHBROOK FARM, SANDBACH ROAD, CONGLETON

Consideration was given to a report relating to the withdrawal of part of a reason for refusal relating to planning application 11/0736C Redevelopment of Land for up to 200 Dwellings, Community Facilities and Associated Infrastructure at Loachbrook Farm, Sandbach Road, Congleton.

The relevant part of the refusal reason concerned inadequate foul drainage of the site. The Board had resolved upon this following an objection from United Utilities. However, United Utilities had recently clarified that their concerns could

be resolved by imposition of a Grampian condition on any approval of planning permission.

RESOLVED

That the foul drainage part of the second reason for refusal be withdrawn in favour of control by condition.

The meeting commenced at 2.05 pm and concluded at 3.00 pm
