**Report of:** Partnerships Manager  
**Subject/Title:** Policy for the Allocation of Grants for 2012/13  
**Portfolio Holder:** Councillor David Brown

---

### 1.0 Report Summary

- 1.1 To enable Cheshire East Council to continue with its Community Grants Scheme for the next and subsequent financial years, a Policy needs to be agreed and maximum funding amounts set.

### 2.0 Recommendation

- 2.1 That the Cabinet Member for Performance and Capacity approve the adoption of the Policy for the Allocation of Community Grants and to agree the maximum amounts payable under the scheme for 2012/13 to be as follows:

Events	£250
Activities	£500
Facilities	£3,000

### 3.0 Reasons for Recommendation

- 3.1 The Community Grants Policy was adopted for the financial years 2009/10, 2010/11 and 2011/12 and applications were invited from organisations who met the criteria. The Council recognises the valuable input that the voluntary and community sector brings to the quality of life in the community and the scheme has enabled funding to be focused on those organisations that complement the aims and objectives of the Corporate Plan. A large number of organisations have received funding over recent months which has enabled a wealth of community activity to take place. A similar demand for funding is anticipated in the future. The draft Policy is appended to this report.

### 4 Wards Affected

### 5.0 Local Ward Members

- 5.1 All Ward Members

## **6.0 Policy Implications (including climate change and health)**

### **6.1 Positive impact**

## **7.0 Financial Implications (Authorised by the Director of Finance and Business Services)**

### **7.1 The recommendations will enable grant applications for 2012/2013 to be funded within existing budget provision**

## **8.0 Legal Implications (Authorised by the Borough Solicitor)**

### **8.1 In awarding grants, the Council must ensure that in each case it has the legal power to fund the proposed scheme. In all cases there is a condition requiring a report back to the Council on the expenditure of the grant. Consideration should also be given in each case to the imposition of other appropriate conditions.**

### **8.2 The Council's legal powers for awarding these grants are contained in various statutes, including Section 137 of the Local Government Act 1972, and Section 2 of the Local Government Act 2000. In addition the Council should ensure that there is a transparent process and policy in respect of determining the level of grant subsidy to any community group.**

## **9.0 Risk Management**

### **9.1 The risk of not agreeing an approach to funding the community and voluntary sector is that some organisations may be unable to continue their activities, resulting in a loss of community benefit. This is a particular issue during an economic downturn when other funding sources may not be available.**

## **10.0 Background and Options**

### **10.1 A decision is required to enable the allocation of grants to voluntary and community organisations in 2012/13.**
