06 February 2012 – 2pm Cabinet Meeting – Crewe Town Hall

Questions:

- 1 Since the Durrow Report, about the Bexton Road, Knutsford, Health and Social Care site, was it seems **not** Commissioned by Cheshire East – nor it seems did Cheshire East have any public hand in that Commissioning - can I ask who is supposed to represent the interests of those people whom Cheshire East either
 - a threw off the site – distributing them right across the Borough – or - unwilling - into full time care homes
 - b are attempting to remove from the site?
- 2 What profit does Cheshire East Cabinet aim to make from the sale of the Bexton Road, Knutsford, Social Care and Health site?
- 3 What arrangement has Cheshire East Cabinet or any representative or employee of Cheshire East Council made, in respect of the Durrow Report and its Commissioners, with regard to the sale or other handing over of that Bexton Road, Knutsford, Social Care and Health site?
- 4 Can the Leader of this Council please make a statement in respect of the Part 2 items – employment – to say that no social care hours will be cut on that site at Bexton Road, Knutsford?
- 5 I would be grateful if the Director of Adult Social Care Services could forward a full copy of her proposed Report, in respect of the Bexton Road Site and other aspects of our Petition to be discussed at Full Council on 23 February 2012
- 6 Perhaps I could point out to the Council Leader, following his letter to me of 03 February 2012, that Knutsford Area For Knutsford Action is not a 'specific pressure group' but a disparate though large number of concerned members of the Council taxpaying public, who across the board wish to have Local Services for Local People in the Local Area. The KAFKA umbrella is no more than a way of drawing the attention of this Cabinet and Cheshire East Councillors at large, to the wishes of those whom they were elected to represent.
