9.0 Background and Options

9.1 At the meeting of the Council on 21 April 2011 a Notice of Motion had been submitted by Councillors D Flude and C Thorley regarding instability in the residential care market in Cheshire East and its potential impact on the finances of the Council. It was requested that a Scrutiny Committee Task and Finish Group be set up to determine the best means of managing demand for residential care including demand from returning self funders.

The Council resolved:

That the matter be referred to the Adult Social Care Scrutiny Committee with a view to them examining the matter and reporting back on:

- The stability of the residential care market in Cheshire East
- The availability of residential care at affordable prices in Cheshire East
- The success or otherwise of current measures to manage the demand for residential care in Cheshire East.
- The success or otherwise of measures to support self funders to remain independent of Council funding for longer

In a meeting of the Adult Social Care Scrutiny Committee on 22 September 2011, it was agreed to establish a Task and Finish Group to explore the issues raised in the Notice of Motion.

9.2 The final report of the Task and Finish Group is now attached for Cabinet's consideration.
