	considered against the over subscription criteria on a equal basis without reference to the marital status of the parent/carer.	
Pregnancy & maternity	<ul> <li>Admission Authorities are bound by the Admissions Code and Regulations and this does not allow for any discrimination in this respect.</li> <li>Admissions to the schools are made following the Local Authority published admission arrangements and over subscription criteria. All applications are considered against the over subscription criteria on a equal basis without reference to the status of the parent/carer.</li> </ul>	V
Race	Admission Authorities are bound by the Admissions Code and Regulations and this does not allow for any discrimination in this respect.         The recorded data for Ash Grove Primary School and Nursery is:         • 92% White         • 4% Mixed/Dual Background         • 3% Asian or Asian British         • 1% Black or Black British         The average recorded data across the immediate neighbouring Macclesfield primary schools is:         • 91.9% White         • 2% Mixed/Dual Background         • 4.4% Asian or Asian British         • 0.2% Black or Black British         • 0.2% Black or Black British         • 1.5% Other Groups or Not recorded         The local authority has no reason to believe that any proposed expansion of schools would result in an overall change to the current demographics.	V

Religion & belief	Admission Authorities are is bound by the Admissions Code and Regulations and this does not allow for any discrimination in this respect. Ash Grove Primary School and Nursery is a Community School and follows the Local Authority published arrangements and over subscription criteria which do not include reference to Religion and belief. All admission applicationstions will be considered on an equal basis irrespective of religious belief.	V
Sex	There is an equal gender balance girls and boys currently attending Ash Grove primary School and Nursery, Girls represent 52% of pupils with boys 48%. This represents a similar school population demographic across the immediate neighbouring Macclesfield schools which gives an average of 48 % girls and 52 % boys.	V
Sexual orientation	Admission Authorities are bound by the Admissions Code and Regulations and this does not allow for any discrimination in this respect. However, given the very young age of the pupils it is unlikely that any issues will arise in	V

Sexual orientation	Admission Authorities are bound by the Admissions Code and Regulations and this does not allow for any discrimination in this respect. However, given the very young age of the pupils it is unlikely that any issues will arise in relation to these protected characteristics.				
Carers	The proposal will have a marginally positive impact on persons with dependents and will offer greater parental choice for those families with wider caring responsibilities.				
Socio-economic status	It is considered that the proposal w children/young people included in provide more places locally for local	this group as the proposal,		V	
Proceed to full impact assessment? (Please tick)	Yes	No √	Date 5 J	une 2013	

If yes, please proceed to Section 3. If no, please publish the initial screening as part of the suite of documents relating to this issue

Appendix 6

## Section 3: Identifying impacts and evidence

This section identifies if there are impacts on equality, diversity and cohesion, what evidence there is to support the conclusion and what further action is needed

Protected characteristics	Is the policy (function etc) likely to have an adverse impact on any of the groups?	Are there any positive impacts of the policy (function etc) on any of the groups?	Please rate the impact taking into account any measures already in place to reduce the impacts identified	Further action (only an outline needs to be included here. A full action plan can be included at Section
	Please include evidence (qualitative & quantitative) and consultations	Please include evidence (qualitative & quantitative) and consultations	High: Significant potential impact; history of complaints; no mitigating measures in place; need for consultation Medium: Some potential impact; some mitigating measures in place, lack of evidence to show effectiveness of measures LOW: Little/no identified impacts; heavily legislation-led; limited public facing aspect	4)
