However, in accordance with statutory requirements, and subject to approval to expand the school, the Local Authority would admit children above the published admission number into the reception class with effect from September 2014.

Need or demand for additional places

24. If the proposals involve adding places—

- (a) a statement and supporting evidence of the need or demand for the particular places in the area;

<p>The Wilmslow Local Area Partnership (LAP) has 10 primary schools and 1 secondary school covering the areas of Wilmslow, Handforth and Alderley Edge. The total primary school capacity across this area is 2498 pupil places, and currently provides 360 reception class places.</p>

<p>Pupil forecasts for the Wilmslow LAP indicate a shortfall in pupil places across all schools and year groups of 227 by 2018. These forecasts exclude the Local Authority's preferred target of 4% 'operational surplus', which is a level of spare capacity intended to accommodate reasonable journey times to school, some degree of parental choice and flexibility to allow for mid-year entrants. To meet this target, current forecasts (October 2012 School Census) indicate the need for 327 pupil places by 2018.</p>

<p>There is an increasing demand in the Wilmslow area at the normal point of entry to school (i.e. into the reception class) which is impacting significantly on parental preference and the Authority's ability to comply with its statutory duty to provide sufficient school places for its residents. It is expected that this increase will continue in the coming years with the potential admission pool, which is based on birth rate data for this area, remaining high for 2013 and increasing further for 2015 with a potential admission pool of 441 pupils. This is well beyond the current capacity of 360 reception class places.</p>
--

<p>Some long term measures have already been taken to increase capacity in the Wilmslow area. This additional capacity has provided an additional 147 pupil places in two schools across all year groups and increasing the reception class places in the area to 360 for 2013 and subsequent years. This increasing demand at the normal point of entry to school, together with the forecast shortfall across all year groups of 227 pupil places by 2018, has necessitated further expansion proposals for this area of the Borough.</p>

- (b) where the school has a religious character, a statement and supporting evidence of the demand in the area for education in accordance with the tenets of the religion or religious denomination;

Not Applicable

- (c) where the school adheres to a particular philosophy, evidence of the demand for education in accordance with the philosophy in question and any associated change to the admission arrangements for the school.

Not Applicable

25. If the proposals involve removing places—

- (a) a statement and supporting evidence of the reasons for the removal, including an assessment of the impact on parental choice; and

Not Applicable

- (b) a statement on the local capacity to accommodate displaced pupils.

Not Applicable

Expansion of successful and popular schools

25A. (1) Proposals must include a statement of whether the proposer considers that the presumption for the expansion of successful and popular schools should apply, and where the governing body consider the presumption applies, evidence to support this.

(2) Sub-paragraph (1) applies to expansion proposals in respect of primary and secondary schools, (except for grammar schools), i.e. falling within:

(a) (for proposals published by the governing body) paragraph 1 of Part 1 to Schedule 2 or paragraph 12 of Part 2 to Schedule 2;

(b) (for proposals published by the LA) paragraph 1 of Part 1 to Schedule 4 or 18 of Part 4 to Schedule 4

of the School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2007 (as amended).

Wilmslow Grange is a successful school achieving a “Good” category from Ofsted at the last inspection in June 2012. Demand for places from local residents and the number of children resident in the schools catchment area has been increasing in recent years. For 2012 and 2013, the number of children resident in the school’s catchment area has been double the 30 places available.

For the last 4 years the number of first preference applications has exceeded the 30 places available in the reception class and for admission in 2012 the Local Authority, in agreement with the school, admitted 44 pupils to ensure that local children could access a school place within a reasonable distance from their home address.

No extra accommodation was provided to the school at that time and to accommodate these additional children the school converted the IT Suite to provide an 8th classroom. For admission in 2013, the Local Authority, in agreement with the school, admitted 45 pupils to ensure places for local families at a school within a reasonable distance.

Reception Admissions	PAN	Catchment Area Data – Reception Admissions	Number of First Preferences
2010	30	49	32
2011	30	48	31
2012	30	70	42
2013	30	66*	47*

* On 3 April 2013

It is therefore recommended that the local demand for places at this school justifies an extension to take the school up to 315 places with an admission number of 45 pupils per year group.
