	behaviour. Future plans/budget	Hurst	Authority's role as lead organisation for Anti Social behaviour	
Flood Risk Management	The Flood & Water Management Act 2010 made amendment to the Local Government Act 2000, under Section 21F, requiring all Lead Local Flood Authorities to review and scrutinise the actions of Flood Risk Management Authorities that may affect the local authority's area. *	P Reeves	Scrutiny Committee	19 December 2013

\*Under the Flood and Water Management Act 2010 and its associated Regulations; the European Union Flood Directive 2009 together with associated Regulations; Cheshire East Council is statutorily required as the lead local flood authority to meet certain requirements in relation to Flood and Water Management. Moreover, following the Pitt Review the Council is expected to meet certain expectations. Under the Regulations and the expectations of the Pitt Review it is intended that the Council's scrutiny procedure should review work by public sector bodies and essential service providers in order to manage flood risk. Also, that there should be an annual summary of actions taken locally to manage flood risk in order to meet the regulations and to implement the appropriate recommendations of the Pitt Review.
