- 10.5 Relevant Representations

Responsible Authorities:

- 10.6.1 The Police in their response state: The premises are already licensed to provide Late Night Refreshment as late as 03:00 on certain nights and as a result already provide an incentive and encouragement for people at the end of the night to resort to the area and remain in the vicinity instead of going home. The resulting noise and disorder already undermines the Public Nuisance licensing objective and licensing the premises to operate even further into the small hours will simply exacerbate the current situation.

The premises are already licensed to provide Late Night Refreshment as late as 03:00 on certain nights and as a result have been a focus for anti social behaviour and disorder both at the premises and in its immediate environs. Licensing the premises to operate even further into the small hours will simply exacerbate the current situation and in doing so undermine the Crime and Disorder licensing objective.

The Chief Officer of Police objects to this application on the basis that extending the existing hours at the premises will undermine both the Public

Nuisance and Crime and Disorder Licensing Objectives and will amplify this objection to a Sub-Committee at the Hearing.

10.6.2 The Environmental Health Authority state in their response: The application is approved subject to conditions. The following conditions should be applied for the prevention of public nuisance:

1. There shall be notices located at the exit(s) requesting that customers leaving the premises do so quietly and with consideration to neighbours.

2. Where the premises provide food for consumption off the premises, the public area immediately surrounding the premises shall be cleared of waste food, food containers, wrapping etc regularly during the stated operating hours and at the end of trading on each day. Such refuse shall be placed in a container designed for the storage and disposal of refuse and waste foods which shall be constructed, maintained and located so that access to it by vermin and unauthorised persons is prevented and arrangements shall be made for the regular lawful disposal of their contents.

Agreement has been received from the applicant, to the above conditions.

There were no responses from any of the other Responsible Authorities.

Other Persons:

10.6.3 The Council has received a representation from Nantwich Town Council in relation to this application. A copy of this representation is attached as Appendix 2 of this report.
