17 14/1946C-OUTLINE APPLICATION FOR RESIDENTIAL DEVELOPMENT COMPRISING OF 75 DWELLINGS AND ASSOCIATED VEHICULAR AND PEDESTRIAN ACCESS, OPEN SPACE AND LANDSCAPING, LAND OFF THE HILL/ MANOR ROAD, SANDBACH HEATH, CHESHIRE FOR BETLEY COURT ESTATE

Consideration was given to the above application.

(Raymond Scragg, an objector and Jo Lovelady, the agent for the applicant attended the meeting and spoke in respect of the application. In addition the Principal Planning Officer read out a written statement on behalf of Councillor S Corcoran, the Ward Councillor).

RESOLVED

That the application be refused for the following reasons:-

1. The proposed residential development is unsustainable because it is located in Open Countryside, Contrary to Policies PS8 and H6 of the Congleton Borough Local Plan First Review 2005, Policy PG 5 of the

emerging Cheshire East Local Plan Strategy - Submission Version and the principles of the National Planning Policy Framework, which seek to ensure development is directed to the right location and Open Countryside is protected from inappropriate development and maintained for future generations enjoyment and use. As such it creates harm to the interests of acknowledged importance. The Local Planning Authority can demonstrate a 5 year supply of housing land in accordance with the National Planning Policy Framework and consequently, there are no material circumstances to indicate that permission should be granted contrary to the development plan, to the emerging Development Strategy and the principles of the National Planning Policy Framework.

2. The proposal would result in loss of the best and most versatile agricultural land and given that the Authority can demonstrate a housing land supply in excess of 5 years, the applicant has failed to demonstrate that there is a need for the development, which could not be accommodated elsewhere. The use of the best and most versatile agricultural land is inefficient and contrary to Policy SE2 of the emerging Cheshire East Local Plan Strategy - Submission Version and the provisions of the National Planning Policy Framework.

(Prior to consideration of the following item, Councillor P Hoyland left the meeting and did not return).

18 **WITHDRAWAL OF REASONS FOR REFUSAL**

Consideration was given to the above report.

RESOLVED

1. To note the report and confirm that SPB and the Northern / Southern Committees continue to review any proposed withdrawal of conditions prior to appeals save for urgent items which fall within the Urgency provision within the Council's Constitution.
2. To introduce the revised wording for the '**slip rule**'

In order to give proper effect to the Board's/Committee's intentions and without changing the substance of the decision, authority is delegated to the Head of Strategic & Economic Planning, in consultation with the Chairman (or in his absence the Vice Chairman) of Strategic Planning Board, to correct any technical slip or omission in the wording of the resolution, between approval of the minutes and issue of the decision notice.

3. To notify the Ward Member of any changes to the original decision.

In accordance with the Committee Procedure Rules for Urgent Decisions Taken Outside Meetings (Part 4: Rule 25.1 and Appendix 4) the Principal Planning Manager reported for information that two of eight grounds of objection to the appeal for 880 houses off Gresty Lane, application

13/2874N resolved upon by the Board on 5 March 2014 had been withdrawn:-

- (1) (20 June 2014). Lack of need for residential care in the locality,
- (2) (24 June 2014). Failure to demonstrate safe access across to/from the site.

Authority was also delegated to the Principal Planning Manager to settle the terms of appropriate S106 obligations which had to be secured in the event that planning permission be granted at appeal.

The urgency procedure was used because, on the basis of evidence arising since 5 March 2014, the two objections could no longer be substantiated in proofs of evidence due on 24 June 2014, before the Strategic Planning Board meeting on 25 June 2015.

The meeting commenced at 10.30 am and concluded at 4.00 pm

Councillor H Davenport (Chairman)
