- (a) that the hackney carriage or private hire vehicle is unfit for use as a hackney carriage or private hire vehicle;

8.3 Section 68 Local Government (Miscellaneous Provisions) Act 1976

Fitness of hackney carriages and private hire vehicles:

Any authorised officer of the Council in question or any constable shall have power at all reasonable times to inspect and test, for the purpose of ascertaining fitness, any hackney carriage or private hire vehicle licensed by the County Borough Council or any taximeter affixed to such a vehicle, and if he is not satisfied as to the fitness of the hackney carriage or private hire vehicle or as to the accuracy of the taximeter he may by notice in writing require the proprietor of the hackney carriage or private hire vehicle to make it or its taximeter available for further inspection and testing at such reasonable time and place as may be specified in the notice and suspend the vehicle licence until such time as such authorised officer or constable is so satisfied.

Provided that, if the authorised officer or constable is not so satisfied before the expiration of a period of two months, the said licence shall, by virtue of this section, be deemed to have been revoked and subsections (2) and (3) of Section 60 of this Act (i.e. Notice of Revocation and Right of Appeal, respectively) shall apply with any necessary modifications.

9.0 Risk Management

9.1 There is an opportunity to appeal against a suspension under section 60 of the Act as soon as the Notice is issued. In respect of a suspension under section 68 a right of appeal does not apply until a notice of revocation is issued.

10.0 Background and Options

10.1 The Council's Scheme of Delegations makes provision for Officers to suspend vehicles in certain circumstances. This would include:

- § Where the vehicle is in breach of a Council condition (eg failed to attend a 6 month test or incorrect signage),
- § A breach of legislation or byelaws (eg not having a meter in a hackney carriage)
- § Accident damage to the vehicle

10.2 The Licensing Team also periodically reports the vehicles suspended to the Licensing Committee.
