RESOLVED

That the Board be minded to REFUSE the application for the following reasons:

1. The proposed residential development is unsustainable because it is located within the Open Countryside contrary to Policies NE.2 (Open Countryside), NE.12 (Agricultural Land Quality) and RES.5 (Housing in the Open Countryside) of the Crewe and Nantwich Replacement Local Plan, Policy PG5 of the emerging Cheshire East Local Plan Strategy – Submission Version and the principles of the National Planning Policy Framework, which seek to ensure development is directed to the right location and open countryside is protected from inappropriate development and maintained for future generations enjoyment and use. As such it and creates harm to interests of acknowledged importance.
2. The proposal would result in loss of the best and most versatile agricultural land and the applicant has failed to demonstrate that this development could not be accommodated elsewhere. The use of the

best and most versatile agricultural land is unsustainable and contrary to Policy NE.12 of the Borough of Crewe and Nantwich Replacement Local plan 2011 and the provisions of the National Planning Policy Framework.

3. In the opinion of the Local Planning Authority, the proposed development would cause a significant erosion of the Green Gap between the built up areas of Willsaton and Rope which would significantly and demonstrably outweigh the benefits of the scheme notwithstanding a shortfall in housing land supply. The development is therefore contrary to Policy NE4 (Green Gaps) of the Borough of Crewe and Nantwich Replacement Local Plan 2011 and guidance contained within the NPPF.

In the event of any changes being needed to the wording of the Committee's decision (such as to delete, vary or add conditions/informatives/planning obligations or reasons for approval/refusal) prior to the decision being issued, the Head of Planning (Regulation) has delegated authority to do so in consultation with the Chairman of the Strategic Planning Board, provided that the changes do not exceed the substantive nature of the Committee's decision.
