## **8 SKILLS AND GROWTH ASDV PROGRESS REPORT**

Julian Copley, Head of Investment, provided an overview of the progress being made in setting up the new Alternative Service Deliver Vehicle (ASDV) for Skills and Growth. The new company was due to be launched on 1 April 2016 and would be called 'The Skills and Growth Company'. This name was chosen to enable expansion beyond the boundaries of Cheshire East created by partnership opportunities, particularly across the Cheshire and Warrington Enterprise Partnership footprint but also potentially into Greater Manchester and Staffordshire.

The Company had been operating in shadow form since January 2016 during which time officers had been preparing the business, tacking risks and carrying out necessary changes to terms and conditions for employees transferring over. In setting up the company officers had taken lessons from previous ASDVs set up by the Council.

The Company would be based at the Sandbach Enterprise Centre which was considered a good location in the centre of the Borough, easily accessible to customers and close to the Council's head quarters. Officers were currently finalising the business plan for the contract between the Council and the Company which would included detailed performance targets and priorities (four skills based priorities and four growth based priorities).

Councillor D Stockton, Cabinet Member responsible for Regeneration, stated that the Company was being created to help the borough compete with Greater Manchester and Liverpool City Region in attracting funding from Government and European Funds.

The Committee requested that an update on progress during the first six months of operation be provided at a future meeting so that it could monitor performance.

RESOLVED:

- (a) That the update report be noted
- (b) That a report on progress in the first six months of the Company's operation be requested for a future meeting.

## **9 WORK PROGRAMME**

The Committee gave consideration to its work programme. The Committee agreed that the current schedule of meeting meant that there was a long period of time between formal meetings therefore a meeting in May 2016 should be added to the calendar. A request to consider how a private landlords register could be introduce to Cheshire East was made. The Chairman stated that they would consult the Cabinet Member responsible for Housing on a potential item.

RESOLVED:

- (a) That the work programme be noted

- (b) That an additional meeting of the Committee be scheduled to take place on 16 May 2016 at 14:00.

The meeting commenced at 2.00 pm and concluded at 3.20 pm

Councillor H Wells-Bradshaw (Chairman)
