

CHESHIRE EAST COUNCIL

Cabinet Member for Regeneration

Date of Meeting:	20 June 2016
Report:	Peter Bates
Subject/Title:	Organic Waste Treatment Procurement
Portfolio Holder:	Cllr Don Stockton

ADDENDUM

2.0 Recommendations

- 2.1 That a portfolio holder decision permits the identification of a 4ha parcel of Leighton Grange Farm, Crewe, a Council owned site, as one of three potential options available to bidders should it be required. The site will be outlined in the procurement documents at the time of issuing the outline solutions phase of the Organic Waste treatment procurement (currently timetabled for 15 July 2016).
- 2.2 If Council owned land were to be required, the final allocation of the site would be subject to a cabinet decision to proceed at preferred bidder stage.

4.0 Ward Affected

- 4.1 Leighton

5.0 Local Ward Members

- 5.1 Cllr Derek Bebington

9.0 Legal Implications

- 9.1 The portfolio holder decision to identify a 4ha parcel of Leighton Grange Farm, Crewe, a Council owned site as one of three options available to bidders as part of a procurement process. Final allocation of the identified site would be subject to a cabinet decision to award to a preferred bidder at the end of the procurement process.
