This follows the approval of the AMRs for 2013/14 and 2014/15 for publication by the Portfolio Holder for Housing and Planning on 20 February 2017.
- 1.2. This report is the eighth Authority Monitoring Report (AMR) produced by Cheshire East Council. The report contains factual information and is published to comply with the requirements of Section 35 of the Planning and Compulsory Purchase Act 2004 and Regulation 34 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

2. Recommendation

- 2.1. That the Portfolio Holder for Housing and Planning approves the Cheshire East Local Plan AMR for 2015/16 for publication.

3. Other Options Considered

- 3.1. That the Council does not publish the Cheshire East Local Plan AMR for 2015/16.

- 4.1. The Cheshire East Local Plan AMR for 2015/16 is published to comply with the requirements of Section 35 of the Planning and Compulsory Purchase Act 2004 and Regulation 34 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

- 4.2. Monitoring is essential in order to establish what has occurred in the Borough and how trends may be changing. It enables consideration of the effectiveness of existing policies and targets in order to determine whether changes are necessary. Such monitoring information will be used to refine and develop Local Plan Policy.
- 4.3. This AMR was the subject of a report to Strategic Planning Board on 22 March 2017.

5. Background and Summary

- 5.1. The Cheshire East Local Plan AMR covers the period 1st April 2015 to 31st March 2016. The production of the AMRs has been delayed, due to the focus of the work of the Spatial Planning Team on the production of the Local Plan Strategy. Following the Local Plan Examination Hearings that took place during September and October 2016, the opportunity has been taken to complete these reports.
- 5.2. The AMRs contain factual information on the implementation of the Local Development Scheme and the effectiveness of Local Plans. Local Planning Authorities are required to report on the implementation of the Local Development Scheme and the extent to which policies set out in the Local Plan documents are being achieved. Local Authorities may choose which targets and indicators to include in the AMRs, as long as they align with relevant UK and EU legislation.
- 5.3. The AMRs provide a crucial method of feedback within the process of policy-making and implementation, whilst also identifying key challenges and opportunities. This enables adjustments and revisions to be made to Policy as necessary.
- 5.4. A number of particular indicators are monitored. The Core Indicators are identified in Appendix A of the AMR; other indicators, identified in the Sustainability Appraisal, are included in Appendix B of the AMR, where relevant.
- 5.5. The AMR monitors the performance of the Cheshire East Local Plan, which is in the course of preparation. In the 2015/16 monitoring period however the Development Plan consisted of the following documents and therefore relevant Policies from these Development Plan documents were also monitored:
 - Cheshire Replacement Minerals Local Plan (1999)
 - Cheshire Replacement Waste Local Plan (2007)
 - Congleton Borough Local Plan First Review (2005)
 - Borough of Crewe and Nantwich Replacement Local Plan (2005)
 - Macclesfield Borough Local Plan (2004)

- 5.6 Two Neighbourhood Development Plans (NDPs) were made in the monitoring period that also form part of the Development Plan: Brereton NDP; and Bunbury NDP.

6. Wards Affected and Local Ward Members

- 6.1. All Wards are affected.

7. Implications of Recommendation

- 7.1.2. The monitoring information contained in the AMR will be used within the Local Plan process, including the preparation of the Site Allocations and Development Policies Document (SADPD) and will also be available for use in the production of Neighbourhood Plans across the borough.

7.2. Legal Implications

- 7.2.1. The approval and publication of the reports will ensure that the Council complies with the requirements of Section 35 of the Planning and Compulsory Purchase Act 2004 and Regulation 34 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

7.8.1. The monitoring information contained in the AMR will be used within the Local Plan process, including the preparation of the SADPD.
